WAGING WAR Heather M. Freeman, 2017-02-19 The purpose of Waging War is to guide the youth of this program from start to finish in their therapeutic efforts to gain insight into their patterns of thinking and beliefs that have led to the current outcomes in their life thus far and enable them to change the path which they are on Waging War is a guide to start the youth with the most basic information and work pages to the culmination of all of the facts scripture and their newly gained insight to offer a more clear picture of where they are and how to change their lives for the better Every chapter will have work pages that Freeman has used and had found to be useful in therapy but most importantly this workbook will teach the Word to a population that does not hear it in its most correct form What is the significance of controlling one's thoughts and how does that apply to you Doubts fears and insecurities come from somewhere especially when they are pervasive Understanding this idea will help one to fight those thoughts and free them from the shackles their mind puts around their hearts preventing them from achieving their dreams and the plans God had intended for them when they were created
