grandfather s death With little time left in her own life Josephine begs for Janeway s promise he must find her grandfather s collection It s a virtually impossible task Janeway suspects as the books will no doubt have been sold and separated over the years but how can he say no to a dying woman It seems that her grandfather Charlie Warren traveled south with Burton in the spring of 1860 just before the Civil War began Was Burton a spy for Britain What happened during the three months in Burton s travels for which there are no records How did Charlie acquire his unique collection of Burton books What will the journal if it exists reveal When a friend is murdered possibly because of a Burton book Janeway knows he must find the answers Someone today is willing to kill to keep the secrets of the past and Janeway s search will lead him east To Baltimore to a Pulitzer Prize winning author with a very stuffed shirt and to a pair of unorthodox booksellers It reaches a fiery conclusion at Fort Sumter off the coast of Charleston South Carolina What s more a young lawyer Erin d Angelo and ex librarian Koko Bujak have their own reasons for wanting to find the journal But can Janeway trust them Rich with the insider s information on rare and collectible books that has made John Dunning famous and with meticulously researched detail about a mesmerizing figure who may have played an unrecognized role in our Civil War The Bookman s Promise is riveting entertainment from an extraordinarily gifted author who is as unique and special as the books he so clearly loves
