Meanwhile the town sheriff has gotten his hands on new technology that will enable him to take a deeper look at a slate of unsolved murders from years past including that of his own father And just as the sheriff reopens his investigation the death toll begins to climb It s like Roy says about his roller coaster Once it s rolling it s too late to get off *Blood Ties* is a tense compulsively readable tour de force about loyalty family ties and love that is as destructive as it is powerful *The Redbreast* Jo Nesbo,2009-11-02 Harry Hole drunkard loner and brilliant detective is reassigned to surveillance after a high profile mistake Hes bored by his new job until a report of a rare and unusual gun being fired sparks his interest because of its possible links to Neo Nazi activity Then a former soldier is found with his throat cut Next Harrys former partner is murdered Why had she been trying to reach Harry on the night her head was smashed in The investigation leads Harry to suspect that the crimes have their roots in the battlefields of Eastern Front during WWII In a quest that takes him to South Africa and Vienna Harry finds himself perpetually one step behind the killer He will be both winner and loser by the novel s nail biting conclusion *The Redbreast* Hes your judge jury and executionerAnd he must be stopped *A COMPENDIUM OF CLASSIC AND POSTMODERN NOVEL SUMMARIES* Vivian Siahaan,2019-08-03 This book is comprised of a compendium of summaries from all novels that I have read for almost twelve years Obviously the summaries have been documented on my blog since 2016 and seemingly in my opinion it is better bundled in a book form since the statistic views show that the classic fictions are those among most read so I rose to comply with that demand The purpose for which I devote myself to compose 85 summaries is to provide quick reading for novel readers and students Numerous genres are presented because I am quite conscious those will bequeath you an imaginative horizon As a work of art many of them transcend their expiatory aspects And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers Finally happy reading and I hope you will find this book useful **Blood on Snow** Jo Nesbø,2016-01-07 Olav lives the lonely life of a fixer When you fix people for a living terminally it s hard to get close to anyone Now he s finally met the woman of his dreams But there are two problems She s his boss s wife And Olav s just been hired to kill her From the bestselling author of BAFTA nominated *Headhunters* comes Jo Nesbo s *Blood on Snow* a short sharp shock of a thriller

The Stakes of Regulation Steven L.
