The Surrounded By DArcy McNickle:

The Surrounded D'Arcy McNickle, 1978-02 A novel set on the Flathead Indian Reservation in Montana **Past Imperfect** Lawrence W. Towner, 1993-06-15 The essays and talks gathered in *Past Imperfect* cover a broad range of topics of continuing relevance to the humanities and to scholarship in general Part I collects Towner's historical essays on the indentured servants apprentices and slaves of colonial New England that are standards of the new social history The pieces in Part II express his vision of the library as an institution for research and education here he discusses the rationale for the creation of research centers the Newberry's pioneering policies for conservation and preservation and the ways in which collections were built In Part III Towner writes revealingly of his co-workers and mentors Part IV assembles his statements as spokesman for the humanities addressing questions of national priorities in funding and of so-called elitist scholarship versus public programs **Narrative Chance** Gerald Robert Vizenor, 1993 Hovedsageligt om de moderne amerikanske indianske forfattere N Scott Momaday Leslie Marmon Silko D'Arcy McNickle Louise Erdrich og Gerald Vizenor **Forked Tongues** David Murray, 1991 creates a new definition of American Indian literary texts as a self-representational genre This is an intelligent and insightful application of post-modern critical methods to American Indian texts The scope of the study is broad and ambitious and the attempt to define Indian self-representations from colonial times to the present is innovative and instructive Raymond J DeMallie very suggestive provocative engaging *Studies in American Indian Literatures* Murray's book establishes itself as the single best introduction to Native American text making in particular and the betrayals of the translation in general An essential acquisition for all college and university libraries and highly recommended for larger public libraries Choice It is a pleasure to recommend with wholehearted enthusiasm David Murray's *Forked Tongues* *Western American Literature* **The Shining Mountains** Alix Christie, 2023-04-01 The year is 1838 A young Scotsman forced from his homeland arrives at Hudson's Bay Angus McDonald is contracted to British masters to trade for fur But the world he discovers is beyond even a Highlander's wildest imaginings raging rivers buffalo hunts and the powerful daughter of an ancient and magnificent people In Catherine Baptiste kin to Nez Perce chiefs Angus recognizes a kindred spirit The Rocky Mountain West in which they meet will soon be torn apart by competing claims between British fur traders American settlers and the Native peoples who have lived for millennia in the valleys and plateaus of the Shining Mountains western slopes In this epic family saga the real history of the American West is revealed in all its terror beauty and complexity The Shining Mountains brilliantly limns a world now long forgotten of blended cultures seeking allies trading furs for guns and steel and a way of life in collision with westward colonial expansion *A Theoretical Approach to Modern American History and Literature* W. Lawrence Hogue, 2020-01-10 This book reconfigures the history of modern America showing how multiple and at times vulnerable social economic literary and political movements levels divisions and conditions such as the emergent middle class the labor movement the Progressive Movement the socialist and communist parties the Women's movements the

NAACP the Garvey movement Asian and Native American resistance movements writers artists and intellectuals seized upon social gender economic and racial inequalities and challenged a singularly defined modern America This book re represents the modern American novel accenting the different critical literary voices that come out of the mainstream consumer society but also out of the various unequal social economic gender and political movements and situations In including racial gender sexual colonial class and ethnic others who reject the rigidity the repression the racial and ethnic stereotyping the external and internal colonialism the complication rejection of the past nature and the violence of the institutionalized conformist norm in a discussion of the modern American novel it effects a fundamental recasting of the modern Americanist paradigm one that is de centered richer more complex and more diverse

The School Story David Aitchison, 2022-02-04 The School Story Young Adult Narratives in the Age of Neoliberalism examines the work of contemporary writers filmmakers and critics who reflecting on the realm of school experience help to shape dominant ideas of school The creations discussed are mostly stories for children and young adults David Aitchison looks at serious novels for teens including Laurie R. King's *Speak* and Faiza Guane's *Kiffe Kiffe Tomorrow* the light hearted middle grade fiction of Andrew Clements and Tommy Greenwald and Malala Yousafzai's autobiography for young readers *I Am Malala* He also responds to stories that take young people as their primary subjects in such novels as Sapphire's *Push* and films including *Battle Royale* and *Cooties* Though ranging widely in their accounts of

young life such stories betray a mounting sense of crisis in education around the world especially in terms of equity the extent to which students from diverse backgrounds have fair chances of receiving quality education and empowerment the extent to which diverse students are encouraged to gain strength confidence and selfhood as learners Drawing particular attention to the influence of neoliberal initiatives on school experience this book considers what it means when learning and success are measured more and more by entrepreneurship competitive individualism and marketplace gains Attentive to the ways in which power structures institutional routines school spaces and social relations operate in the contemporary school story *The School Story* offers provocative insights into a genre that speaks profoundly to the increasingly precarious position of education in the twenty first century

D'Arcy McNickle's *The Hungry Generations* D'Arcy McNickle, 2007 This study of the early unpublished novel *The Hungry Generations* explains how subsequent events in McNickle's life lead the author to eventually create *The Surrounded* a classic of American Indian literature
