The Meaning Of Jesus By Marcus J Borg:

The Meaning of Jesus Marcus J. Borg, N. T. Wright, 2009-05-05 Was Jesus born of a virgin Did he know he was the Messiah Was he bodily resurrected from the dead Did he intentionally die to redeem humankind Was Jesus God Two leading Jesus scholars with widely divergent views go right to the heart of these questions and others presenting the opposing visions of Jesus that shape our faith today Jesus: A New Vision Marcus J. Borg, 1991-05-10 This thought provoking text presents a full and historical portrait of Jesus as a charismatic spiritual and deeply political prophet and healer What emerges is a man living in the power of the spirit a man who sought the transformation of his social world **The Parables of Jesus the**

Galilean Ernest van Eck, 2016-08-09 Who do we meet in the stories Jesus told In *The Parables of Jesus the Galilean* Stories of a Social Prophet a selection of the parables of Jesus is read using a social scientific approach The interest of the author is not the parables in their literary contexts but rather the parables as Jesus told them in a first century Jewish Galilean sociopolitical religious and economic setting Therefore this volume is part of the material turn in parable research and offers a reading of the parables that pays special attention to Mediterranean anthropology by stressing key first century Mediterranean values Where applicable available papyri that may be relevant in understanding the parables of Jesus from a fresh perspective are used to assemble solid ancient comparanda for the practices and social realities that the parables presuppose The picture of Jesus that emerges from these readings is that of a social prophet The parables of Jesus as symbols of social transformation envisioned a transformed and alternative world This world for Jesus was the kingdom of God

Jesus in Contemporary Scholarship Marcus Borg, 1994-08-01 An accessible guide through the growing maze of literature and research on Jesus Examines issues in contemporary Jesus research and looks at the potential of current research for helping rethink Jesus identity and the implications for the reader and the church Jesus: A Very Short Introduction Richard Bauckham, 2011-07-28 Bauckham shows that Jesus was devoted to the God of Israel with a special focus on God's fatherly love and compassion and like every Jewish teacher he expounded the Torah but did so in his own distinctive way

Exploring Kenotic Christology C. Stephen Evans, 2006 This collection of essays by a team of Christian philosophers theologians and biblical scholars explores the viability of a kenotic account of the incarnation Such an account is inspired by Paul's lyrical claims in Philippians 2:6-11 that Christ Jesus though God in nature emptied himself or made himself nothing by becoming human The biblical support for such a view can be found throughout the four gospels and the book of Hebrews as well as in other places A kenotic account takes seriously the possibility that Christ in becoming incarnate temporarily divested himself of such properties as omnipotence omniscience and omnipresence Several of the contributors argue that this view is fully orthodox and that it has great strengths in giving us a picture of a God who is willing to become completely vulnerable for the sake of human beings and one that is completely consistent with the very human portrait of Jesus in the New Testament The proponents of kenotic Christology argue that the philosophical accounts of God's nature that have led to

rejection of this theory ought themselves to be subjected to criticism in light of the biblical data Some essays test the theory by raising critical questions and arguing that traditional accounts of the incarnation can achieve the goals of kenotic theories as well as kenotic theories can The book also explores the implications of a kenotic view of the incarnation for philosophical theology in general and the doctrine of the Trinity in particular and it concludes with essays that examine the validity of the ideal of kenosis for women and a challenge to traditional Christology to take a kenotic theory seriously Book jacket **On**

the Resurrection, Volume 3 Gary Habermas, 2025-05-15 In the third volume of his magnum opus Gary R Habermas identifies collects and summarizes hundreds of scholarly treatments related to the resurrection On the Resurrection Volume 3 Scholarly Perspectives offers a thorough lay of the land for anyone wanting to pursue an in depth study of Jesus of Nazareth s resurrection *The Incarnate Christ and His Critics* Robert M. Bowman Jr., J. Ed Komoszewski , 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ Resurrection

Speaking Christian Marcus Borg, 2012-01-03 As with French German or Spanish learning the basic vocabulary of Christianity is a vital first step in understanding what it means and how it works We think of words like faith forgiveness salvation sin and heaven But how can we be sure that we understand them correctly Over the centuries all sorts of different meanings have grown up around these words and sometimes those meanings can obscure or distort the way the words were originally used in the Bible In *Speaking Christian* Marcus Borg takes some of the key words in the Christian dictionary and exposes the negative and unhelpful connotations they still carry today At the same time he goes back to the Bible and unpacks their meaning in a way that is both more faithful to the teaching of Jesus and more relevant to his followers today

You Can't Ask That! Christian Piatt , 2020-10-06 Have you ever had a burning question that seemed off limits or inappropriate to ask about Christianity the Bible or Jesus You Can't Ask That gathers 50 of the most provocative challenging or otherwise taboo questions that many of us have wondered about but few have actually asked Edited by Christian Piatt who once had a bible thrown at his head for asking too many questions during a Sunday school class this collection considers nothing off limits and takes the hard questions seriously Responses from theology professors pastors lay leaders and other progressive Christians range from the personal to the profound and from sarcastic to deeply touching By offering multiple perspectives to those banned questions readers can craft their own answers Better yet they'll understand that questioning faith is not taboo it's the foundation of a strong and growing faith

The Cambridge Companion to Jesus Markus Bockmuehl, 2001-11-08 This Companion takes as its starting point the realization that Jesus of Nazareth cannot be studied purely as a subject of ancient history a man like any other man History literature theology and the dynamic of a living worldwide religious reality all appropriately impinge on the study of Jesus The two parts of the book roughly correspond to the interdependent tasks of historical description and critical and theological reflection It incorporates the most up to date historical work on Jesus the Jew with the bigger issues of critical method the story of Christian faith and study and Jesus in a global church and in the encounter with Judaism and Islam Written by seventeen leading international scholars the book encourages students of the historical Jesus to discover the vital contribution of theology and students of doctrine to engage the Christ of faith as Jesus the first century Jew

Derrenbacker Jr.,Christopher A. Porter,Muriel Porter,2023-08-22 The Reverend Professor Dorothy A Lee FAHA is well known as a New Testament scholar not only in Australia but around the world An Anglican priest her ministry particularly as a preacher and retreat director is highly regarded and highly sought after not only in her home city of Melbourne but in many parts of the country This Festschrift volume honors her contributions and ministry on the occasion of her seventieth birthday An interdisciplinary collection of twenty one essays it offers two biographical contributions several essays on New Testament themes essays on women feminism and the church and cross disciplinary essays focused on the biblical text Contributors to the volume come from Australian theological education centers and Australian churches The Christ and Jesus Don MacGregor,2023-04-28 Is Jesus the Christ If so what does that mean How can a human person be a Cosmic Principle Don MacGregor hopes to make Christianity more relevant for the twenty first century in his reflection into the difference between the Universal or Cosmic Christ principle and the human figure of Jesus of Nazareth He takes a deep dive into reincarnation mysticism and the message of transformation that Jesus taught contrasting that with the transaction that the institutional Church taught This is the third book in the Wisdom Series in which the author seeks to reframe Christianity within a larger sphere that of the Perennial Philosophy *Mark's Memory Resources and the Controversy Stories (Mark 2:1-3:6)* Yoon-Man Park,2010 Drawing on frame theory from cognitive science this book shows that as a product of oral aural cultures the Gospel of Mark is basically an background knowledge based story and hence it can be only properly understood by the help of frames which the speaker and audience shared **Connecting Christ** Paul Louis Metzger,2012-05-07 We live in a multifaith society an ever growing diverse cultural climate where no religion is viewed as having a monopoly on truth It is important when that Christ followers not only share the Word of God but also listen and learn how to interact meaningfully with those of diverse perspectives as we engage in life s most important conversations Connecting Christ encourages believers to be not only better communicators and witnesses but also listeners to people of other worldviews and traditions skills that are crucial in defending against today s negative connotations and ineffective

approaches associated with Christian evangelism With extensive commentary from leaders of various walks of faith and life from Judaism to Islam and Buddhism to atheism theologian and author Dr Paul Louis Metzger offers a spiritual compass to help navigate the intimidating yet critical dialogue of conveying our faith in Christ Filled with practical guidance and insight into controversial topics such as hell fascism and homosexuality Connecting Christ reveals that there is a way of evangelizing that is neither disengaging monologue nor silent lifestyle ministry but is instead an approach for evangelism and dialogue to go hand in hand We must remove ourselves as the stumbling block to salvation for others and embrace a way to proclaim the uncommon compassionate God revealed in Jesus Christ the Savior this world is dying to know **Texts, Rocks, and Talk**

John R. Lanci, 2002 In *Texts Rocks and Talk* biblical scholar and teacher John Lanci suggests that many have lost the ability to focus on the essentials to experience a Jesus Christ alive and powerful in our midst He responds by inviting readers on a journey back to the Bible Lanci conveys the experience of interpreting the Bible inviting readers to witness the interpretation of one particular passage from the Hebrew Bible and one from the New Testament from start to finish Along the way he covers some of the same ground that biblical introductions present as he explains what interpreters do and why they do it Readers will gain a deeper understanding of the need to interpret texts and greater confidence in their ability to enter into the conversation that sacred texts provide They will also have a greater confidence in the possibility that their Christian community can open itself up to that divine conversation *Texts Rocks and Talk* can serve as an introduction to the Bible textbook for college undergraduates parish discussion groups or individuals who do not have a lot of theological background but are interested in finding their way into the Bible The chapters are relatively short and clearly written with questions for reflection and discussion Chapters in Preliminaries are Why Take It on the Road What the Bible Is Not and A Preview of Coming Attractions What the Bible Is Chapters in The Song of Songs are Sex on the Page Healthy Suspicion A Walking Staff for Our Journey What is the Book of the Dead and the Rocks Lifestyles of the Dead and Buried What Archaeology Is and What It Is Not Making the Heart Forget The Love Songs of Ancient Egypt and The Egyptian Love Songs and the Song of Songs The chapter in An Interlude is An Interlude with Jesus and Christ Chapters in First Corinthians are Our Brother Paul We Raise an Eyebrow in Surprise Paul the Corinthians and a Letter The Rhetoric of a Text What Kind of Fool Is God A Little History a Little Wisdom a Little Mystery The Rigamortale of Roman Power and Corinthian Rocks The No Relax Tour Continues into Darker Realms and The Great Reversal Chapters in Talk Counterimagining the World are Three Umbrellas and a Sea Change Counterimagining the World We Confront the Passion of God In Praise of Christian Flesh and The Journey Not the Arrival Matters Includes an Introduction Epilogue and Notes Citations Suggestions for Further Readings *The Resurrection Fact* John J. Bombaro, Adam Francisco, 2016-10-31 In the first century the resurrection fact faced both Jewish and Greek audiences with a challenge the challenge of a new reality Christ the risen Lord Since facts are by definition something that happened and this happening was witnessed proclaimed and recorded the fact stands for all generations In answering critics a defense

of the resurrection consists not only of a response by way of negation e g Christianity is not this but also through positive affirmations this is Christianity In this book the reader will find both However it is our hope that the final word retained would be the one that stands for something rather than against something Together our words stand for something positive not negative namely the good news that the one true God has now taken charge of the world in and through Jesus and His death and resurrection
