The Secrets To Ebook Publishing Success By Mark Coker:

The Complete Guide to Writing & Publishing Your First e-Book Martha Maeda, 2015-02-06 The advent of Amazon's Kindle in 2007 allowed millions of writers to make the leap from paper to the electronic screen. Several eReader competitors recently joined the ring introducing products such as the Apple iPad, Barnes & Noble Nook, the updated Sony Reader, and Samsung Papyrus. The publishing world is experiencing a revolution with these electronic readers, and you can catch up to speed by learning the ins and outs of publishing with this low cost, high profit publisher. **The Complete Guide to Writing Publishing Your First eBook** is a guide for anyone who's dreamt about becoming a published author and is intrigued by the profitable new prospect of ePublishing but didn't know where to start. eBook sales hovered around 500 million at the end of 2009 and are steadily climbing. If you're passionate about writing and using new technology to market yourself and your work, this book will explain how you can do what you love and increase your earning potential. Start off with understanding what an eBook is and the differences between traditional and digital publishing and the benefits involved. You will identify and learn the details of more than 15 eReaders, including the three top-selling Kindle, Nook, and Sony Reader. You will employ the basics of analyzing your audience, brainstorming, writing, editing, and marketing according to the type of eReader. You will learn the process of getting your book published, how to change or alter the format or style of your book to match the necessities of the eReader, and how to optimize the format of any text for e-reading. We spent dozens of hours interviewing writers who are experts in the art of digital publishing to provide a complete overview of everything you need to know about publishing your eBook. Not only will you learn how to upload your work through an eReader; you will also hone your writing skills with tips, writing exercises, and writing resources. You will learn how to target your book to the right demographic and what you can do to promote your book in online inventories. You will learn the basics of viral marketing, promotion, SEO, and building a business with digital publications. You will learn how to work with your eReader to produce innovative content, and you will learn how to monitor for updates to the electronic publishing industry. No matter what your goals are, you can start publishing from your home with eReader technology. [Publish. Profit. Author Freedom Guidebook Dr. Robert C. Worstell, 2017-11-02 Your writing and publishing should give you freedom And

for most people it doesn't. Because only four out of ten thousand authors actually make a living by publishing through Amazon. Shocking statistics. As a writer the solution is simple: learn how the system works. Then do that. After five years of concentrated research I've narrowed down to exactly what the core basics are that most authors have been missing. There have been a few breakthroughs. What actually is a platform and how you already have one. The three habits you have to have in order to succeed. Four steps you need to do before you start writing or outlining your book. The two biggest lies spread in publishing. How you can teach yourself to write classic bestsellers at home. This book is also a course. In 7 simple lessons you can get started now toward a full-time career as a successful author. Success is waiting for you along with your freedom. Get Your Copy Now

How to Stop Feeding the Beast Dr. Robert C. Worstell, 2018-02-05. Want to Quit Sacrificing Your Book Income? Would you like to start making a decent living from your writing instead? This is the story of how any author can get their life back. Just stop Feeding the Beast. The one that has been consuming their livelihood novel by novel. As our story begins, The great beast Zon has been playing favorites again. It's preying on naive and innocent writers. The ones who dare enter its chamber with offerings of their works. With a single withering glance a rapid pounce, the gnashing of teeth, your author dream is dead. The hope of a livable passive income from vast numbers of readers buying your masterpiece is spit out. It joins the massive growing bone pile at the beast's feet. There is a way to avoid this, to publish your book regardless of Zon or other publishing beasts that require feeding.
