The Shepherd of the Hills Harold Wright, 2016-03-25 The Shepherd of the Hills is a classic written by author Harold Bell Wright and illustrated by Frank G Coates It depicts a story of mountain folklore and has been translated into seven languages since its release The novel has been the basis for four films the first in 1919 and a television movie The best known version is the 1941 film of the same name starring John Wayne *The Shepherd of the Hills (Illustrated Edition)* Harold Bell Wright, 2015-05-25 The man was from the world beyond the ridges and his carefully tailored clothing looked strangely out of place in the mountain wilderness His form stooped a little in the shoulders perhaps with weariness but he carried himself with the unconscious air of one long used to a position of conspicuous power and influence and while his well

kept hair and beard were strongly touched with white the brown clear lighted eyes that looked from under their shaggy brows told of an intellect unclouded by the shadows of many years The people of the Ozarks called him The Shepherd of The Hills and only he can heal a division in the community that no one else is even aware of This edition is lavishly illustrated with twelve original illustrations by Robert Scott Crandall **The Shepherd of the Hills /by Harold Bell Wright ; with Four Illustrations by F.
