

A woman wearing a white surgical cap and a white apron over a dark blue top is seen from the back. She is holding a baby with blue eyes and brown hair, who is resting their chin on the woman's shoulder. The background is a warm, out-of-focus indoor setting.

destroyed the power grid and altered life as they knew it Since then Leora has watched and waited for news of Moses Hughes the young Englisher pilot who held off invading looters long enough for everyone to escape Unsure Moses even survived Leora has begun to warm to the affections of Jabil Snyder who has courted her patiently But she struggles to see herself as the bishop's wife especially when she learns that Moses is alive and has now joined a local militia An unexpected encounter in the woods deepens Leora's crisis as does a terrifying new threat that brings Moses militia into the community's shaky alliance with the few Englishers left among them When long held beliefs are once again put to the test Leora wrestles with the divide between having faith and taking action Just how much will her shifting landscape change her

[How the Light Gets In](#) Jolina Petersheim, 2019-03-05 Compellingly woven by Jolina Petersheim's capable pen How the Light Gets In follows a trail of grief toward healing leading to an impossible choice what is best when every path will hurt someone Lisa Wingate New York Times bestselling author of *Before We Were Yours* From the highly acclaimed author of *The Outcast* and *The Alliance* comes an engrossing novel about marriage and motherhood loss and moving on When Ruth Neufeld's husband and father in law are killed working for a relief organization overseas she travels to Wisconsin with her young daughters and mother in law Mabel to bury her husband She hopes the Mennonite community will be a quiet place to grieve and piece together next steps Ruth and her family are welcomed by Elam her husband's cousin who invites them to stay at his cranberry farm through the harvest Sifting through fields of berries and memories of a marriage that was broken long before her husband died Ruth finds solace in the beauty of the land and healing through hard work and budding friendship She also encounters the possibility of new love with Elam whose gentle encouragement awakens hopes and dreams she thought she'd lost forever But an unexpected twist threatens to unseat the happy ending Ruth is about to write for herself On the precipice of a fresh start and a new marriage Ruth must make an impossible decision which path to choose if her husband isn't dead after all

Five Brides Eva Marie Everson, 2015-05-21 One dress five women a lifetime of memories Five single fiercely independent women live together in a Chicago apartment in the early 1950s but rarely see one another One Saturday afternoon as they are serendipitously together downtown they spy a wedding dress in a storefront window at the famous Carson Pirie Scott Co After trying it on much to the dismay of the salesclerk and without a single boyfriend or date between the five of them they decide to pool their money to purchase it Can one dress forever connect five women who live together only a short time before taking their own journeys to love and whatever comes happily ever after

[The Alliance](#) Jolina Petersheim, 2016-06-01 2017 Christy Award finalist Visionary category When Leora Ebersole sees the small plane crash in her Old Order Mennonite community she has no idea it's a foreshadowing of things to come When the young pilot Moses Hughes regains consciousness they realize his instruments were destroyed by the same power outage that killed the electricity at the community store where Englishers are stranded with dead cell phones and cars that won't start Moses offers a sobering theory but no one can know how drastically life is about to change With the only self sustaining food supply

in the region the Pacifist community is forced to forge an alliance with the handful of stranded Englishers in an effort to protect not only the food but their very lives In the weeks that follow Leora Moses and the community will be tested as never before requiring them to make decisions they never thought possible Whom will they help and whom will they turn away When the community receives news of a new threat everyone must decide how far they're willing to go to protect their beliefs and way of life

Midnight Jesus Jamie Blaine, 2015-10-13 It's three a.m. in the side yard of a shack in the worst part of town I've got a dirty-faced baby on my hip and there's a pit bull standing on the septic tank in the next yard over barking his head off My patient sits on the hood of her ex-husband's low rider smoking a cigarette and dumping her pills into a mud hole by the right front tire Airbrushed across the hood of the car is a cross-eyed Jesus with open arms She lays her hand on top of his as the still-hot engine ticks Throughtears she pleads Help me Jesus please The dog is silent Sirens approach Just breathe I tell her Everything's gonna be all right The baby fidgets resting her head against me staring up into my eyes I raise one finger and she holds it tight I fumble for the words again Just breathe Midnight Jesus shares fascinating bizarre and sometimes humorous true life stories

of everyday people looking for hope in their darkest hours Poignant and unpretentious Jamie paints beauty where at times it seems none exists from skating rinks and bars late night highways and lonely apartments broken churches and rundown trailer parks jail cells bridge rails ERs psych wards and that place over the levee where God laughs and walks through the cool dark night
