The Passion Of Jesus Christ By John Piper:

The Passion of Jesus Christ John Piper, 2004-01-01 **Grounded in the Faith** Ken Erisman, 2013-07-15 The greatest challenge for the twenty first century church is the lack of catechesis training in biblical and doctrinal knowledge As J I Packer states where wise catechesis has flourished the church has flourished and where it has been neglected the church has floundered It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it **Grounded in the Faith** takes up that challenge with twenty four low prep in depth sessions that will ground believers in the basics of their faith This new innovative guide is a transformational disciple making tool that leaders can immediately use to activate discipleship in the church It presents individuals small groups and Sunday school classes with a cohesive understanding of historic sound biblical theology that serves as a catalyst for deeper intimacy with Christ It is a user friendly guide to growth in the Christian faith that covers important topics such as justification overcoming temptation sanctification evidence for the inspiration of the Bible the value of prayer the guidance of God the Trinity the uniqueness of Christ and the attributes of God **The Cross in the Shadow of the Crescent** Erwin W. A. Carson,2010-07 Eminent evangelical theologian provides a basic introduction to the faith that traces the story of redemption through the Bible But God... Casey Lute,2011-05 Whether from the pen of Moses Paul or other biblical authors But God appears in various forms hundreds of times in the Bible To understand these two words as they are used in Scripture is to understand the gospel This book focuses on nine of the most important appearances of this key phrase drawing in numerous other passages of Scripture and in the process unfolding the magnificent drama of God s sovereign grace from his mercy on Noah to our security in a resurrected Savior Taken together this collection of brief Bible expositions provides a big picture overview of the consistent way in which God has chosen to save sinners It has always been by his might his power his grace and his initiative James Montgomery Boice wrote that If you understand those two words but God they will save your soul If you recall them daily and live by them they will transform your life completely **Looking to Christ: The Book of Hebrews** Marci Ogrosky,2014-07-31 Get ready to make the book of Hebrews your new favorite book of the Bible with the help of *Looking to Christ* an insightful evangelical study guide You will be encouraged to keep the faith by focusing on the person and work of Jesus Christ imitating the faith of Old Testament heroes and putting your faith into practice in spite of the challenges and doubts you face As your assurance of faith grows stronger you will be better prepared to joyfully persevere throughout life no matter what Every lesson in *Looking to Christ* gives background information asks questions and applies the truth of Scripture with a common sense approach that makes Hebrews accessible to all levels of Bible students Allow yourself to be transformed from the inside out Fill your mind with the truth of who Christ is and what He has done Let your heart be inspired by the example of faithful believers Give evidence of faith by your attitude and behavior Whether this is your first time studying Hebrews or your twentieth there are always new and deeper insights waiting for you It is time to grab your Bible and a pen sit down with *Looking to Christ* and

expect good things **Saving God's Face** Jackson Wu, 2013-04 Years ago the author had a startling realization Theologians and pastors have long taught on the glory of God and its central importance in the Bible However because he was living in East Asia it also dawned on the author that this sort of talk about God's glory praising Him and magnifying His name was simply another way of talking about honor and shame When the author looked at most theology and ministry related books he found that honor and shame seemed to be treated differently Anthropologists talked about honor shame but theologians largely focused more on legal metaphors The author could see both themes in Scripture but couldn't find help as to how to bring them together This study was developed in order to address this gap and bring those themes together Sign up for the WCIU Press newsletter to be notified about new books from this author and more <http://eepurl.com/rB15L> The Tithe James DeFazio, 2007-07 Prosperity theology is questionable at best yet many church leaders teach and some even demand the tithe of the Old Covenant as a method of giving This volume explains how to free oneself from the legalism of law and to give with the freedom and liberty of grace as led by the Holy Spirit Social Issues Candle Grove James Reynold Riley, 2011-12-29 Why do teenagers keep disappearing in Potterfield Is it the monsters rumored to be lurking in the forest The ghost ship that plies the waters of the lake Something sinister afoot in the halls of the abandoned mental hospital Or hostile spirits roaming the ruins of the old burnt capitol building Seven high school kids are about to learn these answers as they face the dangers of a town with more darkness than they ever imagined And come to grips with a faith they had always taken for granted until now **Introducing Christianity to Mormons** Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism Introducing Christianity to Mormons is the guidebook you need to witness to them Inside you'll find real life conversations that give you helpful ideas for what to say in your discussions contrast points between Mormonism and Christianity that illuminate God's truth biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church Get ready to present the case for Christianity with confidence and grace This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community **Beliefs That Really Matter** Veerasammy Carpen, 2010-01-05 Beliefs That Really Matter is both exegetical and theological in nature and gives clarity to contemporary readers of subject matter that they may find themselves struggling with in living the Christian life Just to name a few topics that the author has discussed in Beliefs That Really Matter are a God Breathed Scripture b God's Plan of Grace c A New Beginning and d The Faith of One Man Beliefs That Really Matter makes people think about why they believe certain doctrines and to examine the doctrines whether if it is biblically sound The Christian life is unique which we cannot deny but

the real challenge for us is to live the Christian life according to God's standards and not ours. These concerns should be relevant and timely to the practicing Christian that this book represents. Each chapter of *Beliefs That Really Matter* is thought provoking and engages the readers not to settle for cheap messages of the gospel that our culture is so quickly to accept that lead many astray from the Bible. For example, cheap messages of the gospel do not develop the believer into a spiritual mature person but only leaves the believer to sink in their Christian experience and causes confusion for many and disappointment for others. No wonder many Christians face numerous spiritual challenges and find themselves drifting from the sacred writings. *Beliefs That Really Matter* points the professing Christian to study the Scriptures and to scoop out the meaning for themselves from God's Word that they begin to apply in their lives as having to form a firm foundation. Quite often we may read a book that does nothing for our spiritual growth and does not challenge certain teachings or examine the Scripture. In *Beliefs That Really Matter* the author exposes shallow Christian beliefs that resemble a grab bag and calls attention to the unique Word of God that shapes our lives for a firm foundation. *Beliefs That Really Matter* is written for college students, pastors and lay leaders and for those who desire to grow in their spirituality and to experience a hunger for God's presence in their lives. For example, the reader would benefit tremendously from the book by doing a Bible study on their own share in a small group discussion to be used as a text for a Sunday school class or to be used as a college text book in the discipline of Christian theology especially in the area of apply soteriology. The contents of the book are clear and specific that does not leave the reader in the dark but rather motivate the reader to strengthen his faith and to connect with the sacred writings that feeds his soul. *Beliefs That Really Matter* is a wealth of information to the readers that enjoy responsible exegesis and theological explanation of words and their meanings, grammatical tenses, expressions, misunderstandings and contradictions. Each chapter is concluded with a short study guide that enables the readers to think about their need for spiritual growth and enrichment and to dig into God's Word as hidden treasure. Sincerely, Veerasammy Carpen

After The Passion is Gone J. Shawn Landres, Michael Berenbaum, 2004. Mel Gibson's *The Passion of the Christ* topped box office charts and changed the American religious conversation. The controversies it raised remain unsettled. In *After The Passion Is Gone: American Religious Consequences*, leading scholars of religion and theology ask what Gibson's film and the resulting controversy reveal about Christians, Jews and the possibilities of interreligious dialogue in the United States. Landres and Berenbaum's collection moves beyond questions of whether or not the film was faithful to the gospels, too violent or antisemitic and explores why the debate focused on these issues but not others. The public discussion of *The Passion* shed light on a wide range of American attitudes: evangelical Protestant, mainline Protestant, Roman Catholic and Jewish, about media and faith, politics and history, Jesus and Judaism, fundamentalism and victimhood. *After The Passion Is Gone* takes a unique view of vital points in Christian Jewish relations and contemporary American religion. **With Calvin in the Theater of God** John Piper, David Mathis, 2010-09-01. John Calvin saw this world as God's theater where his glory is always

on display Just as day and night pour forth speech the universe and history are not silent either they tell the glory of God Reflecting on over 500 years of Calvin s legacy John Piper and this book s other contributors invite us to join Calvin in the theater of God Stemming from the Desiring God 2009 National Conference this volume includes chapters by Julius Kim Douglas Wilson Marvin Olasky Mark Talbot Sam Storms and John Piper It touches on topics such as Calvin s life the Christian meaning of public life sin and suffering the joy of the last resurrection and Jesus Christ as the d nouement of God s story Editors John Piper and David Mathis along with the contributors make John Calvin s Christ exalting perspective on the glory of God accessible to today s readers Both Calvinists and other evangelicals interested in the life and work of Calvin will find these essays refreshing and instructive leading to a robust understanding of the world as the theater of God **Let the Nations Be Glad!** John Piper,2010-03-15 This new edition of a bestselling textbook over 185 000 copies sold draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach John Piper offers a biblical defense of God s supremacy in all things providing readers with a sound theological foundation for missions He examines whether Jesus is the only way to salvation and issues a passionate plea for God centeredness in the missionary enterprise seeking to define the scope of the task and the means for reaching all nations The third edition has been revised and expanded throughout and includes new material on the prosperity gospel The book is essential reading for those involved in or preparing for missions work It also offers enlightenment for college and seminary students pastors youth workers campus ministers and all who want to connect their labors to God s global purposes *Rock Bottom* Sabrina Allen,Dayna Allen,2009-11-06 This book is designed for those that desire a closer relationship and fellowship with the Father As the reader reads this poetry we feel once they grasp the idea to look at our Father and not the situation s they may face they will find that God is a way maker and in his presence there is peace So many times in life we awake in a strange land meaning this is a new place in our lives and or families we are not sure how we got here or how to get back to that first love which is God We can have all of those things that God has designed all we have to do is to ask We communicate with our Father when we read pray fast talk and sing to him Giving a total submission to God and allowing him to shine through our being readers will find that when God has our undivided attention how he turns a bad situation to a glorified project for his kingdom When we dont communicate with God we experience separation and this makes us feel that God is far away from us and perhaps we may even feel that he has given up on us This is the flesh and carnal nature talking to us based on our emotions God is with us even when we hit the bottom **The Christian Collection** ,2004 Full of humor insight and practical advice these lists will deepen faith strengthen relationships nurture hope and build character Contributors include Max Lucado Shirley Dobson Dennis Rainey Bruce Wilkinson and more
