**Reading Evangelicals** Daniel Silliman,2021-10-05 The story of five best selling novels beloved by evangelicals the book industry they built and the collective imagination they shaped Who are evangelicals And what is evangelicalism Those attempting to answer these questions usually speak in terms of political and theological stances But those stances emerge from an evangelical world with its own institutions institutions that shape imagination as much as they shape ideology In this unique exploration of evangelical subculture Daniel Silliman shows readers how Christian fiction and the empire of Christian publishing and bookselling it helped build is key to understanding the formation of evangelical identity With a close look at five best selling novels Love Comes Softly This Present Darkness Left Behind The Shunning and The Shack Silliman considers what it was in these books that held such appeal and what effect their widespread popularity had on the evangelical imagination Reading Evangelicals ultimately makes the case that the worlds created in these novels reflected and shaped the world evangelicals saw themselves living in one in which romantic love intertwines with divine love humans play an active role in the cosmic contest between angels and demons and the material world is infused with the literal workings of God and Satan Silliman tells the story of how the Christian publishing industry marketed these ideas as much as they marketed books and how during the era of the Christian bookstore this every bit as much as politics or theology became a locus of evangelical identity

**EXPOSING Lies We Believe About God** James B. De Young, Th.D.,2018-12-05 For years there has been uncertainty regarding Paul Young s The Shack Some have suspected heresy but have been unable to pin down exactly what Paul Young believed James De Young Th D who has known Paul Young for a couple decades wrote Burning Down the Shack to expose Christians to the fact that Paul Young espoused universalism Now the cat is out of the bag In his newest book Lies We Believe about God Young blatantly confesses adherence to universal reconciliation as well as twenty seven other beliefs that are heretical Here are some of Paul Young s unbiblical claims God is not in control of everything God submits to human beings God is a Christian God is a sexual being equally male and female People do not need to get saved Sin and hell do not separate people from God The cross was man s

idea not God's People have a second chance to believe after death Everyone is a child of God Universal reconciliation has been accomplished for all people The God of evangelical faith tortured his child Jesus and is the perpetrator of evil Drawing upon his life long teaching of the Bible and the original languages James De Young appeals to the Bible to expose Paul Young as a heretic In appendices he also furnishes proof that Paul Young violates the Nicene Creed and the beliefs of the early church father Athanasius Finally we have a book written by one who is both personally and academically qualified to expose the true nature of Young's writings De Young will empower you to Discover the heresy in Young's book *Lies We Believe About God* Expand your ability to answer the lies found in universal reconciliation Enhance your capacity to discern between the truth and falsehood Strengthen your confidence in the truth of the Bible *Lies We Believe About God* William Paul Young, Wm. Paul Young, 2017-03-07 A conversational exploration of the wrong headed ideas we sometimes have and share about God Amazon.com **Cross Roads** William Paul Young, 2014-07 William Paul Young author of the international bestseller *THE SHACK* tells a story of the incremental transformation of a man caught in the torments of his own creation somewhere between heaven and earth **Awakening Desire** Irene Alexander, 2018-04-19 The hope of this book is that it awakens desire to know more intimately the God who breaks through our compartmentalization and naming While most in the West have heard God's name as almost exclusively masculine a child growing up in Israel would have experienced the Spirit of God and Lady Wisdom as female This ruach the breath of God brooded over the face of the deep in the creation story like a hovering mother bird The God of the Bible and the early church has been described with both masculine and feminine imagery referred to by the church fathers and mystics as both Mother and Father In our time we have lost much of this rich feminine imagery This book explores not only this historical knowing of God but also more contemporary writers such as Carl Jung Paul Young *The Shack* George MacDonald and Thomas Merton Each of these men engaged with the Divine Feminine giving us examples of how we too may find God more deeply and more intimately **Love in the Key of Three** Andrew Christian Nelson, 2022-02-03 Wm Paul Young *The Shack* *Cross Roads* *Eve* and *Lies We Believe about God* has captivated millions of readers worldwide with his poignant and challenging conceptions about God However no work has been written designed as a comprehensive guide for Young's beliefs *Love in the Key of 3* is the first book to answer this need as well as the first academic work written about Young's theology With rigorous research and approachable prose designed to intrigue both academics and laypersons alike Andrew Christian Nelson invites you to explore the wondrous world of Young's imagination and consider the critical ideas existent in his theology *The Father and the Feminine* Spencer Miles Boersma, 2024-09-12 How should Christians speak of the transcendent yet personal God when our language for persons is almost always gendered Is male imagery such as Father Son or King the only appropriate way Are there ways to talk of God using female gendered metaphors and pronouns And how does the use of such language impact humans as gendered people Moving beyond the extremes in this debate *The Father and the Feminine* seeks to clarify the ways Christians speak about God whether this is by

recognizing revelation and Christian tradition upholding God's ineffability using analogies metaphors and narratives referring to God as Father Son and Spirit or by seeking a liberating way of life in community Spencer Miles Boersma argues that male language for God need not be problematic if used and understood correctly but at the same time that it cannot be the exclusive way Christians speak of the Divine The grammar of Christian Scripture and tradition both authorize the use of female language which Christians ought to use in pursuing a deeper relationship with God and others as well as a more authentic view of self

Another Gospel? Student Edition Alisa Childers, 2025-10-21 A movement seeks to redefine Christianity Some think that it is a much needed progressive reformation Others believe that it is an attack on historic Christianity Alisa Childers never thought she would question her Christian faith She was raised in a Christian home where she had seen her mom and dad feed the hungry clothe the homeless and love the outcast She had witnessed God at work and then had dedicated her own life to leading worship as part of the popular Christian band ZOEgirl All that was deeply challenged when she met a progressive pastor who called himself a hopeful agnostic Another Gospel Student Edition describes the journey Alisa took over several years as she wrestled with a series of questions that struck at the core of the Christian faith She invites young people along on her journey with compelling stories informative charts and provocative discussion questions After everything she had ever believed about God Jesus and the Bible had been picked apart she found herself at the brink of despair until God rescued her helping her to rebuild her faith one solid brick at a time In this book you'll find a list of resources including apologetics books theology books and podcasts for additional study discussion questions to help you dig deeper or spark conversations a sound biblical worldview mixed with personal stories from Alisa Childers popular speaker and author of *The Deconstruction of Christianity* and *Live Your Truth and Other Lies* In a culture of endless questions students need solid answers If you or someone you love has encountered the ideas of progressive Christianity and aren't sure how to respond Alisa's journey will show you how to determine and rest in what's unmistakably true This student edition of *Another Gospel* is designed to help young adults dive into this topic investigate the questions and the evidence and find clarity

*Insane for the Light* Ronald Rolheiser, 2025-10-28 A spiritual journey through life's final years and its mellowing of souls the long awaited conclusion of Father Rolheiser's trilogy of modern spiritual classics following *The Holy Longing* and *Sacred Fire* As the shadows lengthen and we find ourselves no longer in the morning or noon of life but rather face its approaching dusk we uncover a new spiritual task to give away the final years of our lives and ultimately our deaths So argues beloved author Ronald Rolheiser During life's first years we embark on a search for meaning and discover in ourselves a profound unquenchable thirst for the Divine And when we reach adulthood we realize that we are called to give our lives away to our spouses children careers friends and neighbors in need But in the end we must learn to let it all go In this highly anticipated conclusion to Father Rolheiser's spiritual classics *The Holy Longing* and *Sacred Fire* and with characteristic attentiveness and care Rolheiser accompanies readers on a spiritual journey through life's final years and the

mellowing of our souls In these years bitterness can give way to forgiveness mere imagination to profound and subtle faith wishful optimism to virtuous hope and control to surrender Readers will learn to see in Jesus a model for a spirituality of holy passivity rather than activity and find in him the courage to overcome the darkest nights of faith Drawing on the work of John of the Cross and Henri Nouwen Rolheiser outlines a spirituality capable of giving away one's death and by that a spirituality of truly living
