

Little Talk

**Don't you think it's probable
that beetles, bugs, and bees
talk about a lot of things -
you know, such things as these:**

**The kind of weather where they live
in jungles tall with grass,
and earthquakes in their villages
whenever people pass.**

**Of course, we'll never know if bugs
talk very much at all -
because our rears are far too big
for talk that is so small.**
