Approaches Gone Southern Literary Studies:

Approaches to Teaching the Works of Cormac McCarthy Stacey Peebles, Benjamin West, 2021-11-01 Offers pedagogical techniques for teaching Cormac McCarthy's works including considerations of their depiction of violence and dystopia distinctive prose style and relation to film Contextualizes the works as regional literature of the South and West Gives syllabus suggestions for high school undergraduate and graduate courses in American literature

The Southern Hospitality Myth Anthony Szczesiul, 2017-06 Hospitality as a cultural trait has been associated with the South for well over two centuries but the origins of this association and the reasons for its perseverance often seem unclear Anthony Szczesiul looks at how and why we have taken something so particular as the social habit of hospitality which is exercised among diverse individuals and is widely varied in its particular practices and so generalized it as to make it a cultural trait of an entire region of the country Historians have offered a variety of explanations of the origins and cultural practices of hospitality in the antebellum South Economic historians have at times portrayed southern hospitality as evidence of conspicuous consumption and competition among wealthy planters while cultural historians have treated it peripherally as a symptomatic expression of the southern code of honor Although historians have offered different theories they generally agree that the mythic dimensions of southern hospitality eventually outstripped its actual practices Szczesiul examines why we have chosen to remember and valorize this particular aspect of the South and he raises fundamental ethical questions that underlie both the concept of hospitality and the cultural work of American memory particularly in light of the region's historical legacy of slavery and segregation

Gay Men in Modern Southern Literature William Mark Poteet, 2006 The concept of masculinity has had a profound influence on modern gay written and gay themed American Southern literature Much of the fiction and drama of three important contemporary writers Tennessee Williams Charles Nelson and Reynolds Price has been shaped by the cultural dynamics of the Southern tradition of codified definitions and parameters of masculinity This regional approach to literature also serves as critically protective maintaining its focus in an effort to avoid essentializing experience and identity Gay Men in Modern Southern Literature will be a valuable asset in the study of gender construction literary theory and modern American Southern writing Publisher's website

The Power of Culture Priscilla Roberts, 2016-01-14 China and the United States two massive economic and military powers cannot avoid engaging with each other Enjoying what is often termed the most important bilateral relationship in the world the two sometimes cooperate but often compete as their interests come into conflict Both countries are separated not just by the Pacific Ocean but also by their very different histories experiences societies customs and outlooks Non governmental unofficial relationships and exchanges are often as important as formal dealings in determining the climate of Sino American relations For several decades in the mid twentieth century Chinese and Americans were virtually isolated from each other trapped in icy hostility Chinese scholars are now making up for lost time This assortment of essays most by mainland Chinese academics and

students focuses upon the role of culture very broadly defined in Sino American affairs Taking a holistic approach in this collection over thirty authors focus on such topics as the influence of ideology the impact of geopolitics the use of rhetoric soft power educational encounters and exchanges immigration gender race identity literature television movies music and the press Cultural factors are as the authors demonstrate enormously significant in affecting how Chinese and Americans think about and approach each other both as individuals and at the state level *A Companion to American Literary Studies* Caroline F. Levander,Robert S. Levine,2015-08-17 *A Companion to American Literary Studies* addresses the most provocative questions subjects and issues animating the field Essays provide readers with the knowledge and conceptual tools for understanding American literary studies as it is practiced today and chart new directions for the future of the subject Offers up to date accounts of major new critical approaches to American literary studies Presents state of the art essays on a full range of topics central to the field Essays explore critical and institutional genealogies of the field increasingly diverse conceptions of American literary study and unprecedented material changes such as the digital revolution A unique anthology in the field and an essential resource for libraries faculty graduate students and advanced undergraduates

Faulkner's Inheritance Joseph R. Uργο,Ann J. Abadie,2007 Essays by Susan V Donaldson Lael Gold Adam Gussow Martin Kreiswirth Jay Parini Noel Polk Judith L Sensibar Jon Smith and Priscilla Wald William Faulkner once said that the writer collects his material all his life from everything he reads from everything he listens to everything he sees and he stores that away in sort of a filing cabinet in my case it s not anything near as neat as a filing case it s more like a junk box Faulkner tended to be quite casual about his influences For example he referred to the South as not very important to me I just happen to know it and don t have time in one life to learn another one and write at the same time His Christian background according to him was simply another tool he might pick up on one of his visits to the lumber room that would help him tell a story Sometimes he claimed he never read James Joyce s *Ulysses* or had never heard of Thomas Mann writers he would elsewhere declare as the two great men in my time Sometimes he expressed annoyance at readers who found esoteric theory in his fiction when all he wanted them to find was Faulkner I have never read Freud Neither did Shakespeare I doubt if Melville did either and I m sure Moby Dick didn t Nevertheless Faulkner s life was rich in what he did saw and read and he seems to have remembered all of it and put it to use in his fiction Faulkner s *Inheritance* is a collection of essays that examines the influences on Faulkner s fiction including his own family history Jim Crow laws contemporary fashion popular culture and literature Joseph R Uργο is dean of the faculty at Hamilton College Ann J Abadie is associate director of the Center for the Study of Southern Culture at the University of Mississippi **Keywords for Southern Studies** Jennifer Rae Greeson,2016-08-15 In *Keywords for Southern Studies* editors Scott Romine and Jennifer Rae Greeson have compiled an eclectic collection of new essays that address the fluidity of southern studies by adopting a transnational interdisciplinary focus The essays are structured around critical terms pertinent both to the field and to modern life in general The nonbinary

nontraditional approach of Keywords unmask and refutes standard binary thinking First World Third World self other for instance that postcolonial studies revealed as a flawed rhetorical structure for analyzing empire Instead Keywords promotes a holistic way of thinking that begins with southern studies but extends beyond Gender Research in Africa Vivian Ojong,R. Sooryamoorthy,2025-09-30 This book considers how methodologies theories and analytical frameworks from gender studies can be applied to African societies cultural social and historical contexts The book advocates for the importance of feminist research practices which highlight women and their lived experiences within a gendered world in Africa Gender studies has grown in prominence over recent decades rooted in an awareness that gender is no longer just an issue in the margins but core to the analysis of the interaction of power identity and social relations in the world This book considers how the field can evolve further in a postcolonial context integrating indigenous and local knowledge systems and practices Covering how gender is contested in African settings the book outlines how researchers can approach the ways in which social and racial categories class ethnicity and socioeconomic status intersect to produce gender based violence Overall this book shows how gender sensitive methodologies can help researchers to gain deeper insights into discrimination inequalities and gender based violence and thus contribute to better adapted social and legal reforms **Bridging Southern Cultures** John Lowe,2005 A multicultural interdisciplinary panorama of past and contemporary southern society are captured in Bridging Southern Culture by some of the South s leading historians anthropologists literary critics musicologists and folklorists Using the best of recent scholarship this collection demonstrates a revitalized energy in southern studies A showcase of preeminent southern intellectuals this book is is a heady mix of observations that draw new connections between eras groups races and subregions Lowe and his peers present a timely assessment of the state of southern studies in the twenty first century **The Oxford Handbook of the Literature of the U.S. South** Fred Hobson,Barbara Ladd,2016 The Oxford Handbook of the Literature of the U S South brings together contemporary views of the literature of the region in a series of chapters employing critical tools not traditionally used in approaching Southern literature It assumes ideas of the South global multicultural plural more Souths than South that would not have been embraced two or three decades ago and it similarly expands the idea of literature itself Representative of the current range of activity in the field of Southern literary studies it challenges earlier views of antebellum Southern literature as well as in its discussions of twentieth century writing questions the assumption that the Southern Renaissance of the 1920s 1930s and 1940s was the supreme epoch of Southern expression that writing to which all that had come before had led and by which all that came afterward was judged As well as canonical Southern writers it examines Native American literature Latina o literature Asian American as well as African American literatures Caribbean studies sexuality studies the relationship of literature to film and a number of other topics which are relatively new to the field The American South and the Atlantic World Brian Ward,Martyn Bone,William A. Link,2013-05-21 Most of the research on the South ties the region to the North emphasizing racial binaries and outdated

geographical boundaries but *The American South and the Atlantic World* seeks a larger context Helping to define New Southern studies this book the first of its kind explores how the cultures contacts and economies of the Atlantic World shaped the South

Multidisciplinary Research Approaches in Social Science Vol-1 Raghubar Prasad Singh, **At War with The Red Badge of Courage** Kevin J. Hayes,2021 The story of the critical reception of Crane's great Civil War novel from its publication to the present with particular attention to the effects of later wars on that reception *Southern Literature and Literary Theory* Jefferson Humphries,1992-07-01 In this stimulating collection of essays twenty scholars apply new theoretical approaches to the fiction and poetry of southern writers ranging from Poe to Dickey from Faulkner to Hurston Departing from earlier traditions of southern literary scholarship this book seeks not to create a new orthodoxy but to suggest the diversity of critical tools that can now be used to explore the literature and culture of the South Including essays based on deconstructionist feminist and Marxist theory the book features contributions from such critics as Henry Louis Gates Harold Bloom Fred Chappell and Joan DeJean Yet for all their variety the essayists share the same central concern We

have in common writes Jefferson Humphries one thing that sets us apart from our elders in our conception of the South and our approach to southern literature the basic assumption that the meaning and significance of literature is not in the immanence of the literary object or in history but in the complex ways in which the literary the historical and all the human sciences that study both are interrelated Instead of simply taking the South for granted the contributors to this volume see it as a text and an idea as something whose ideological underpinnings complexities and contradictions must be subjected to close reading and questioning Southern Literature and Literary Theory represents a major effort to redefine the relationship of southern writing and the South itself to the larger world The Routledge Companion to Literature of the U.S. South Katharine A. Burnett,Todd Hagstette,Monica Carol Miller,2022-07-11 The Routledge Companion to Literature of the U S South provides a collection of vibrant and multidisciplinary essays by scholars from a wide range of backgrounds working in the field of U S southern literary studies With topics ranging from American studies African American studies transatlantic or global studies multiethnic studies immigration studies and gender studies this volume presents a multi faceted conversation around a wide variety of subjects in U S southern literary studies The Companion will offer a comprehensive overview of the southern literary studies field including a chronological history from the U S colonial era to the present day and theoretical touchstones while also introducing new methods of reconceiving region and the U S South as inherently interdisciplinary and multi dimensional The volume will therefore be an invaluable tool for instructors scholars students and members of the general public who are interested in exploring the field further but will also suggest new methods of engaging with regional studies American studies American literary studies and cultural studies **Tracking Capital** Sharae Deckard,Michael Niblett,Stephen Shapiro,2024-03-01 Tracking Capital introduces new ways to understand the entanglement of cultural forms and practices in economic social and ecological crises and struggles Building on the fundamental insights of world systems analysis the book offers readers a series of rubrics keywords and concepts such as zemiperiphery registration and commodity chains to enable more integrated transdisciplinary methods of literary and cultural study Throughout Sharae Deckard Michael Niblett and Stephen Shapiro foreground the role of culture in both consolidating and contesting the classism racism sexism and ecocide constitutive of the modern world system In the context of capitalism s ongoing bloody war against the poor the powerless and the planet Tracking Capital provides tools with which to diagnose the morbid symptoms of the present as well as to plot possible steps on the road to a better future *New Interpretations of Harper Lee's To Kill a Mockingbird and Go Set a Watchman* Amy Mohr,Mark Olival-Bartley,2019-05-30 Featuring essays from an international group of scholars this volume addresses Harper Lee s To Kill a Mockingbird 1960 the American literary classic and her controversial Go Set a Watchman 2015 The contributions include productive new interpretations from diverse critical angles including US literary and cultural history Southern studies sociological theory gender studies stylistic analysis translation and pedagogy With a balance of critical analysis and pedagogical approaches this provocative book will prove to be of

particular interest to scholars seeking to reconcile the points of divergence in these two works For educators at the secondary and university levels the collection also offers current resources and perspectives on Lee s novels *Chinese History And Literature: New Ways To Examine China's Past* Guanjun Wu,2018-08-13 Chinese History and Literature New Ways to Examine China s Past collects important studies on Chinese history and literature studies conducted by the academics at East China Normal University ECNU in recent years The book covers topics including the study of Chinese Economic History Jiangnan Identity in Chinese history and literature a new study on the cause of the great proscription the artistic presentation of a tragic character among others This book is the second volume in the WSPC ECNU Series on China The WSPC ECNU Series showcases the significant contributions to scholarship in social sciences and humanities studies about China The Series is jointly launched by World Scientific Publishing the most reputable English academic publisher in Asia and ECNU a top University in China with a long history of exchanges with the international academic community

Struggles Over the Word Timothy Paul Caron,2000 This literary critical study counters the usual tendency to segregate Southern literature from African American literary studies Noting that William Faulkner and Flannery O Connor are classified as Southern writers whereas Zora Neale Hurston and Richard Wright are considered black authors Timothy P Caron argues for an integrated study of the South s literary culture He shows that the interaction of Southern religion and race binds these four writers together Caron broadens our understanding of Southern literature to include both white and African American voices Analyzing O Connor s *Wise Blood* Faulkner s *Light in August* Hurston s *Moses Man of the Mountain* and Wright s *Uncle Tom s Children* Caron shows that these writers share an intertwined concern for issues of race and religion These two significant components of Southern culture form the intertextual network that binds together such seemingly disparate texts These authors not only interact among themselves in acknowledged and unacknowledged ways but also with the South s discursive practices Most particularly Caron sees common struggles over the Word as he investigates how these writers use the Bible in their understandings of race and religion in the American South While all four authors argue for the centrality of the Bible in both the black and white Southern experience each offers a different view of how this iconic text has shaped Southern culture and its literature
