

- Explain how this links to another skill (comparison, change and continuity, causation) in one part of the essay, in one paragraph.

DRAFTING YOUR ESSAY

Step 1: Analyse the prompt and annotate. Write anything that you know relating to the time frame address. Understand what the prompt is asking you to do (change, comparison, change over time).

Evaluate the extent to which the Progressive Movement fostered political change in the US from 1890-1920.

Step 2: Read through the documents quickly, and fill out RHP in the margins.

Source: "The Calamity," New York Times, 1911

"The building in which the fire occurred, was unexceptionably of fireproof construction. It stands to-day, intact, a blackened and awful monument to the nearly 100 persons who were alive and hopeful yesterday. The fire, discovered as a thin column of smoke, was an impassable wall of flames by the time the first alarm was sounded. Scores of working girls were hemmed in when formed by wooden sewing machines and filled with flimsy materials. More than fifty jumped from the windows, to be picked up either dead or fearfully injured. Many others were literally scorched to death. The Fire Department has been demanding the building of fire escapes on all sides of factory buildings. An expert lately advised the establishment of a fire drill in this particular building. Whether or not his advice was heeded, all or nearly all the human beings who were in it when the fire was discovered are now dead. It is a calamity to put the whole town in a sorrowful mood."

Step 3: Categorise documents and write a thesis statement.

Step 4: Draft your essay.
