Our Lady of the World's Fair Ruth D. Nelson,2024-09-15 Our Lady of the World s Fair reveals the remarkable story of how two of New York s most influential leaders persuaded the Vatican to allow one of the world s greatest works of art to leave Europe for the first and only time Driven by different motives Robert Moses and Francis Cardinal Spellman had the same vision to display Michelangelo s masterpiece the Piet in the Vatican s pavilion at the 1964 World s Fair in New York City As Ruth D Nelson gracefully showcases Moses believed this blockbuster would guarantee the fair s financial success At the same time Spellman Cardinal of New York and the spiritual leader of Cold War America s Catholic community hoped that at a time of domestic strife and global conflict the Piet s presence would have a positive spiritual impact on the nation Although the fair did not turn out to be the financial bonanza that Moses expected the Piet drew record crowds of the faithful art lovers and the curious Nelson s fascinating uncovering of the intensive planning that went into designing the pavilion transporting the art piece across the Atlantic and coordinating Pope Paul VI s visit to New York in 1965 the first papal visit to the Western Hemisphere demonstrates the sheer scale and opportunity of the two men s endeavors Our Lady of the World s Fair depicts the skepticism and fierce criticism that faced the two New York power brokers Rather than letting the negative weigh them down they united and called on every resource at their disposal to make this unlikely cultural coup possible
