Goldstein, Rune Nensén, Bengt Daleflod, Mikael Kalt, 2005-01-28 Aggression Replacement Training ART is a cognitive behavioural intervention targeted to aggressive adolescents and children which is being increasingly adopted worldwide The outcome of the first major conference on the growing status of ART and its future directions this book s coverage includes the cognitive behavioural context of ART the component procedures various training approaches and program applications research evaluations and extensions and elaborations *The Theory and Practice of Creative Coaching* Arthur Turner, 2023-07-04 The Theory and Practice of Creative Coaching has been long in development and is not meant as an end view of creativity in this field It is however a stimulating collection of ideas with detailed views

from both practice and education that seeks to provide stimulus to trainee coaches as well as those whose practice is well established. With topics as wide ranging as walking to line drawing this book seeks to change the practice of practitioners new and old and helps to articulate the ways in which David Clutterbuck has called for a move from the use of models towards mastery by embracing new ways of working with the clients of coaching. With a wide ranging scope, examples, ideas and a strong link to academic understanding, this book will provide a stimulus to the coaches, supervisors and educationalists to open their eyes to alternative ways of practicing their craft.

12 Point Method Product Centric Model Porkkovan Elangovan, 2024-09-20. Digital transformation is a daunting journey for many organizations. The 12 Point Method Product Centric Model Operationalization guide to accelerate, differentiate and grow business is here to change that. It serves as your comprehensive guide to successfully shifting from a project focused approach to a dynamic product centric model. Written in a narrative style with real time industry examples, it unfolds through the eyes of an Enterprise Transformation Coach who has firsthand experience in steering a retail giant through this transformative journey. From the initial challenge of convincing senior leadership to the detailed implementation across their retail operations, this guide covers it all. It is a collection of engaging, insightful conversations with everyone from CXOs to dynamic middle managers and hands on team members. This approach makes the often complex concepts of a product centric transformation both approachable and relatable. Drawing on the principles of SAFe and other leading industry practices, this book introduces the 12 Point Method framework, a tailored blueprint designed to shepherd organizations through their digital evolution. As the narrative unfolds, it also incorporates compelling real world examples from various industries including Banking, Insurance, Healthcare and more, making it a comprehensive resource for any organization aiming to achieve digital excellence. This book is for every business leader, technology leader and to every professional who is in the business of developing solutions. It gives us the path to reset our mindset, to bring agility in solution building. It is a book for those who would like to adopt Agile as their primary development approach.

One of the most comprehensive guides to becoming a powerful coach which starts from the basics and takes us to the essentials of mastery. This book has embraced the complexity of coaching literature, approaches, and tools. It has then structured and presented them in a fashion that brings together the chaos to a usable format. I can safely say that this book would offer a new idea, approach, or perspective even to the most experienced of coaches. Shweta Handa Gupta, MCC, Change Leadership Coach, QuadraBrain Transformation Solutions, Global ICF Young Leader Award Recipient 2018. In this crowded, confusing profession called coaching, Sinclair and Passmore have written the guidebook that clears the fog for coaches on their path to coaching excellence. *Becoming a Coach* clarifies the distinction of coaching and why it is so effective, provides specific practices for embodying a coaching mindset, and is full of tools that will elevate your coaching impact. No matter where you are on your journey, this book will give you a bright light to follow.
