**Consequences of Love** Sulaiman S. M Y. Addonia, 2008-07 Annie had it all A beautiful home adorable toddler and just happened to snag the promising son of most prominent family in their quaint little town in east Texas Her life was perfect Or so it seemed Atlas was a man with a haunted past whose mundane life consisted of hard work predictability and solitude And he had to reason to hope for a change A chance encounter sparks an unlikely friendship and as their two worlds begin to collide everything they thought they knew comes into question The carefully crafted walls they ve built begin to crumble as they re faced with a past they ve been trying to forget and a future they re afraid to hope for The Consequences of Love Sulaiman Addonia, 2008-09-04 It is summer in Jeddah but Naser s life seems bleak An immigrant in an unfriendly land his friends have fled town for cooler climes and left him to his dead end job and the scrutiny of the religious police who keep watch through the shaded windows of their government jeeps He spends his time writing to his mother in Africa and yearning to meet a woman but in a country that separates men and women with walls and veils he feels increasingly trapped Then one of the black clad women drops a piece of paper at his feet instructing him to follow her pink shoes and suddenly his black and white life blooms into colour But relationships between unmarried men and women are illegal under the strict Wahhibism of Saudi state rule and it s not long before their forbidden love must face the hardest test of all African Migration, Human Rights and Literature Fareda Banda, 2020-12-24 Introduction Artivism Literature Law and Justice Migration Histories Of Visas and Visions of a Better Life Women s Lives Sexual Orientation and Gender Identities Children in Literature Conclusion Afterword **The Literary Review** , 2007 *Arab Feminisms: Gender and Equality in the Middle East* Jean Makdisi, Noha Bayoumi, Rafif Rida Sidawi, 2014-01-29 Is there a truly Arab feminist movement Is there such a thing as Islamic feminism What does it meant to be a feminist in the Arab World today Does it mean grappling with the main theoretical elements of the movement Or does it mean involvement at the grassroots level with everyday activism This book examines the issues and controversies that are hotly debated and contested when it comes to the concept of feminism and gender in Arab society today It offers explorations of the theoretical issues at play the latest developments of feminist discourse literary studies and sociology as well as empirical data concerning the situation of women in Arab countries such as Iraq and Palestine It is certainly not surprising that when looking at the situation on the ground in many countries of the Arab World particularly Palestine Iraq and Lebanon as well as Sudan issues of war civil conflict military occupation and imperialism often override those of gender The place of feminism in this context is extremely problemati as nationalist sectarian religious and class interests not to mention the interests of occupation authorities and the resistance movements that oppose them supersede feminism as a public concern even among many women Arab feminists are thus either co opted by these interests or find themselves in the frustrating position of negotiating their way through a minefield of contradictory imperatives and loyalties Arab Feminisms examines these contexts and sheds light upon the difficult position in which

feminists often find themselves It looks at different social and political situations such as the development of Palestinian feminist discourse in a post Oslo world the impact of the civil war in Lebanon on women and Kuwaiti women s struggles for equality This book therefore offers valuable theoretical analysis as well as indispensable first hand accounts of feminism in the Arab World for those researching gender relations in the Middle East and beyond **This is the Canon** Joan Anim-Addo,Deirdre Osborne,Kadija Sesay,2021-10-28 A vital and timely introduction to some of the best books I ve ever read Perfectly curated and filled with brilliant literature Nikeshe Shukla The ultimate introduction to post colonial literature for those who want to understand the classics and the pioneers in this exciting area of books Symeon Brown These are the books you should read This is the canon Joan Anim Addo Deirdre Osborne and Kadija Sesay have curated a decolonized reading list that celebrates the wide and diverse experiences of people from around the world of all backgrounds and all races It disrupts the all too often white dominated required reading collections that have become the accepted norm and highlights powerful voices and cultural perspectives that demand a place on our shelves From literary giants such as Toni Morrison and Chinua Achebe to less well known but equally vital writers such as Caribbean novelist Earl Lovelace or Indigenous Australian author Tony Birch the novels recommended here are in turn haunting and lyrical innovative and inspiring edgy and poignant The power of great fiction is that readers have the opportunity to discover new worlds and encounter other beliefs and opinions This is the Canon offers a rich and multifaceted perspective on our past present and future which deserves to be read by all bibliophiles whether they are book club members or solitary readers self educators or teachers Reading the World Ann Morgan,2015 In 2012 the world arrived in London for the Olympics and Ann Morgan went out to meet it She read her way around all the globe e t m s 196 independent countries plus one extra sampling one book from every nation It wasn t easy Many languages have next to nothing translated into English there are tiny tucked away places where very little is written down at all some governments don t like to let works of art leak out to corrupt Westerners Her literary adventures shed light on the issues that affect us all personal political national and global Using her quest as a starting point this book explores questions such as What is cultural heritage How do we define national identity Is it possible to overcome censorship and propaganda And how can we celebrate challenge and change our remarkable world Library Journal ,2009 **The Consequences of Love** Sulaiman S.
