The Finkler Question By Howard Jacobson:

The Finkler Question Howard Jacobson, 2010-08-02 A staggeringly brilliant new novel from bestselling and award winning giant of literature Howard Jacobson [The Finkler Question by Howard Jacobson](#) Samarra Hyde, 2011 *Howard Jacobson's Novels in the Context of Contemporary British Jewish Literature* Anténe, Petr, The novelist Howard Jacobson who received the 2010 Booker Prize for *The Finkler Question* has often been characterized as the British Philip Roth although he himself prefers to be viewed as the Jewish Jane Austen This monograph concludes that both comparisons may be used to comment on various features of Jacobson's oeuvre Like Roth Jacobson tends to focus on male Jewish protagonists and intimate relations between the sexes Like Austen he portrays a certain social class whether it be the British Jewish minority or the social world of British writers and university professors Apart from reflecting on the tension between Britishness and Jewishness as inseparable aspects of his characters' identities Jacobson's novels contribute to the traditions of British and Jewish humour *Bookclub-In-A-Box Discusses the Finkler Question, by Howard Jacobson* Marilyn Herbert, 2012-09-01 In *The Finkler Question* Howard Jacobson provocatively puts forward the stereotypical arguments of culture religion politics and anti-Semitism presenting both the Jewish and non-Jewish sides at once The story centers on Julian Treslove a Gentile so physically non-descript that people have trouble recognizing him He has been wrongly identified as Brad Pitt and Colin Firth but never Adam Sandler or Billy Crystal Non-Jewish Treslove also has no distinct inner identity so perhaps he can be forgiven for trying to find one as a Jew It all begins when Treslove is violently mugged in front of a violin shop and believes that he is the victim of an anti-Semitic assault After all he had just come from dinner with his two close Jewish friends Sam Finkler and Libor Sevcik In some of the novel's funniest scenes worthy of the humour of Woody Allen and Groucho Marx Julian Treslove justifies his brush with aggression as an extreme case of mistaken identity Using his three distinctly different characters Jacobson considers who is and isn't a Jew and whether or not Jews can be anti-Semitic More significantly Jacobson asks who Jew or non-Jew has permission to discuss these touchy topics Jacobson juxtaposes his title *The Finkler Question* against the Jewish Question the offensive phrase made famous by Hitler as he put forward his Holocaust's Final Solution Jacobson lays out the whole conversation to be considered from all sides and perspectives This novel was rewarded for its courageous outlook by being awarded the prestigious Man Booker prize 2010 The Bookclub in a Box guide for Harold Jacobson's book will spark discussion around the following topics How can a Jew be defined and does one definition fit all Can religious and cultural intolerance be overcome by Jews and non-Jews alike Is it possible to discuss the Jewish question in a productive and rational manner without falling victim to raw emotion Every Bookclub in a Box discussion guide includes complete coverage of the themes and symbols writing style and interesting background information on the novel and the author **Howard Jacobson** David Brauner, 2021-01-12 This is a comprehensive and definitive study of the Man Booker Prize winning novelist Howard Jacobson It offers lucid detailed and nuanced readings of each of Jacobson's novels and makes a powerful case for

the importance of his work in the landscape of contemporary fiction Focusing on the themes of comedy masculinity and Jewishness the book emphasises the richness and diversity of Jacobson s work Often described by others as the English Philip Roth and by himself as the Jewish Jane Austen Jacobson emerges here as a complex and often contradictory figure a fearless novelist a combative public intellectual a polemical journalist an unapologetic elitist and an irreverent outsider an exuberant iconoclast and a sombre satirist Never afraid of controversy Jacobson tends to polarise readers but love him or hate him he is difficult to ignore This book gives him the thorough consideration and the balanced evaluation that he deserves J Howard Jacobson,2015-09-01 Finalist for the 2014 Man Booker Prize J is a snarling effervescent and ambitious philosophical work of fiction that poses unsettling questions about our sense of history and our self satisfied orthodoxies Jacobson s triumph is to craft a novel that is poignant as well as troubling from the debris Independent UK Man Booker Prize winner Howard Jacobson s brilliant and profound new novel J invites comparison with George Orwell s 1984 and Aldous Huxley s Brave New World Sunday Times London Set in a world where collective memory has vanished and the past is a dangerous country not to be talked about or visited J is a boldly inventive love story both tender and terrifying Kevern Cohen doesn t know why his father always drew two fingers across his lips when he said a word starting with a J It wasn t then and isn t now the time or place to be asking questions When the extravagantly beautiful Ailinn Solomons arrives in his village by a sea that laps no other shore Kevern is instantly drawn to her Although mistrustful by nature the two become linked as if they were meant for each other Together they form a refuge from the commonplace brutality that is the legacy of a historic catastrophe shrouded in suspicion denial and apology simply referred to as WHAT HAPPENED IF IT HAPPENED To Ailinn s guardian Esme Nussbaum Ailinn and Kevern are fragile shoots of hopefulness As this unusual pair s actions draw them into ever increasing danger Esme is determined to keep them together whatever the cost In this stunning evocative and terribly heartbreaking work where one couple s love affair could have shattering consequences for the human race Howard Jacobson gathers his prodigious gifts for the crowning achievement of a remarkable career **The State of the Jews** Edward Alexander,2017-07-28 The State of the Jews examines the current predicament of the Jewish people and the land of Israel both of which still stand at the storm center of history because Jews can never take the right to live as a natural right The volume comprises celebrations and attacks Edward Alexander celebrates writers like Abba Kovner Cynthia Ozick Ruth Wisse and Hillel Halkin who recognized in the foundation of Israel shortly after the destruction of European Jewry one of the few redeeming events in a century of blood and shame He attacks Israel s external enemies busy planners of boycotts brazen advocates of politicide professorial apologists for suicide bombing and also its internal enemies These are anti Zionist Jews devotees of lost causes willfully blind to the fact that Israel s creation was an event of biblical magnitude Indifference to Jewish survival during World War II was the admitted moral failure of earlier American Jewish intellectuals but today s progressives and New Diasporists call indifference virtue and mistake cowardice for courage Because the new anti-Semitism

tightening the noose around Israel's throat emanates mainly from liberals Alexander analyzes both antisemitic and philosemitic strains in three prominent Victorian liberals Thomas Arnold his son Matthew and John Stuart Mill The main body of Alexander's book is divided generically into history politics and literature At a deeper level its chapters are integrated by the book's pervasive concern the interconnectedness between the state of Israel and the spiritual state of contemporary Jewry

Whatever It Is, I Don't Like It Howard Jacobson, 2012-01-01 It takes a particular kind of man to want an embroidered polo player astride his left nipple Occasionally when I am tired and emotional or consumed with self dislike I try to imagine myself as someone else a wearer of Yarmouth shirts and fleecy sweats of windbreakers and rugged Tyler shorts of baseball caps with polo players where the section of the brain that concerns itself with aesthetics is supposed to be But the hour passes Good men return from fighting Satan in the wilderness the stronger for their struggle and so do I The winner of the 2010 Man Booker Prize Howard Jacobson brims with life in this collection of his most acclaimed journalism From the unusual disposal of his father in law's ashes and the cultural wasteland of Chitty Chitty Bang Bang to the melancholy sensuality of Leonard Cohen and desolation of Wagner's tragedies Jacobson writes with all the thunder and joy of a man possessed Absurdity piles upon absurdity and glorious sentences weave together to create a hilarious heartbreaking and uniquely human collection This book is not just a series of parts but an irresistible unputdownable sum which triumphantly out Thurbers Thurber

Culture Wars in British Literature Tracy J. Prince, 2012-09-18 The past century's culture wars that Britain has been consumed by but that few North Americans seem aware of have resulted in revised notions of Britishness and British literature Yet literary anthologies remain anchored to an archaic Anglo-English interpretation of British literature Conflicts have been played out over specific national vs British identity some residents prefer to describe themselves as being from Scotland England Wales or Northern Ireland instead of Britain in debates over immigration race ethnicity class and gender and in arguments over British literature These debates are strikingly detailed in such chapters as The Difficulty Defining Black British British Jewish Writers and Xenophobia and the Booker Prize Connections are also drawn between civil rights movements in the U S and UK This generalist cultural study is a lively read and a fascinating glimpse into Britain's changing identity as reflected in 20th and 21st century British literature

Take the Plunge Timothy Radcliffe, 2012-04-19 Take the Plunge explores baptism showing how it touches the deepest dramas of human life Timothy Radcliffe holds a unique position in the modern Catholic Church As Master of the Dominican Order in Rome for nine years he held one of the most senior and influential appointments the Catholic Church has on offer But he is a member of an Order of Preachers and is thus truly apostolic The order's motto consists of one word Veritas Truth and it is the vigorous pursuit of intellectual and emotional truth which is the hallmark of his writing This new book will not disappoint his admirers Here Fr Radcliffe argues that Christianity will only thrive today overcoming the challenges of secularism and religious fundamentalism if we rediscover the beauty of baptism It touches the deepest dramas of human life birth growing up falling in love daring to give

oneself to others searching for meaning coping with suffering and failure and eventually death **Conflicted Territories: Representations Of Ethnic And Political Disputes In World Literature** Dr. Neha Soman, Dr. B.

Padmanabhan, 2022-05-24 Conflicted Territories Representations of Ethnic and Political Disputes in World Literature is an attempt to contextualise the diversity and complexity of human territories around the globe through their manifestations in literature and popular culture The unrelenting presence of social variables such as indigeneity sovereignty and religion in territorial disputes obfuscates the possibility of conflict resolution due to their sensitive and complex traits This complexity is the kernel of this book in which each chapter explores the implications and dissensions of social variables in stifling global territorial crises *Live a Little* Howard Jacobson, 2019-07-04 A tender love story This book is alive It pulses with warmth and intelligence The Times A wickedly observed novel about falling in love at the end of your life by the Man Booker Prize

winning author of *The Finkler Question* At the age of ninety something Beryl Dunsbury is forgetting everything including her own children She spends her days stitching morbid samplers and tormenting her two carers with tangled tales of her husbands and affairs Shimi Carmelli can do up his own buttons walks without a frame and speaks without spitting Among the widows of North London he's whispered about as the last of the eligible bachelors He forgets nothing especially not the shame of a childhood incident that has long hung over him There's very little left remaining for either of them But perhaps just enough to heal some of the hurt inflicted along the way and find new meaning in what's left **SHORTLISTED FOR THE WINGATE LITERARY PRIZE 2020**

Who's Sorry Now? Howard Jacobson, 2003 From the author of *The Mighty Walzer* winner of the Everyman Wodehouse Award for comic writing Marvin Kreitzman the luggage baron of South London lives for women At present he loves four his mother his wife Hazel and his two daughters and is in love with five more Charlie Merriweather on the other hand loves just the one woman his wife of twenty years Once a week the two friends meet for a Chinese lunch in Soho contriving never quite to have the conversation they would like to have Until today that is What follows shows Howard Jacobson in majestic form unnervingly truthful poignant and very very funny **Re-envisioning**

Jewish Identities Efraim Sicher, 2021-08-30 This innovative study shows how the imaginary constructions of self and Other are shaping identification with Jewishness in the twenty first century The texts and artworks discussed in this book test a diverse range of ways of identifying as Jews and with the Jewish people while engaging with postmodern and postcolonial discourses of hybridity and multiculturalism This book selects six key areas in which the boundaries of Jewish identities have been interrogated and renegotiated nation ethnicity gender sexuality religion and the Holocaust In each of these areas Sicher explores how major and emerging contemporary writers and artists re envision the meaning of their identities Such re envisioning may be literally visual or metaphorical in the search for expression of artistic self between the conventional paradigms of the past and new ways of thinking **Jews Against Themselves** Edward Alexander, 2017-07-05 This volume features powerful essays by Edward Alexander on the phenomenon of anti Zionism on the part of the Jewish intelligentsia It

also analyses the explosive growth of traditional anti-Semitism especially in Europe among intellectuals and Muslims Alexander notes that anti-Zionism has established a presence even in Israel where it frequently takes the form of intellectuals sympathizing with their country's enemies and perversely apologizing for their own existence Alexander begins with an examination of the origins of Jewish self-hatred in nineteenth-century Europe He then explores the mindset of disaffected Jews in reacting or failing to react to the two events that shape modern Jewry the Holocaust and the founding of the State of Israel The book concludes with a focus on contemporary anti-Zionism including three essays about the role played by Jews in the Boycott Divestment and Sanctions Movement to expel Israel from the family of nations A final essay addresses the need for American Jews to decide whether they are going to judge Judaism by the standards of The New York Times or The New York Times by the standards of Judaism

A Philosophical Autofiction Spencer Golub, 2019-01-04 This is a book about what becomes of the truth when it succumbs to generational memory loss and to the fictions that intervene to cause and fill the gaps It is a book about the impossibility of writing an autobiography when there is a prepossessing cultural and familial we interfering with the I and an I that does not know itself as a self except metastatically as people and characters it has played but not actually been A highly original combination of close readings and performative autobiography this book takes performance philosophy to an alternative next step by having its ideas read back to it by experience and through assorted fictions It is a philosophical thought experiment in uncertainty whose literary theatrical and cinematic trappings illustrate and finally become what this uncertainty is the thought experiment having become the life that was that came before and that outlives the I am

Coming From Behind Howard Jacobson, 2011-03-31 In an ever-divided Britain this wryly observed novel is a timely and thought-provoking read from the Booker-winning author of *The Finkler Question* A very funny bitterly intelligent novel do read it Malcolm Bradbury Sefton Goldberg mid-thirties English teacher at Wrotesley Poly in the West Midlands small sweaty lustful defiantly unappreciative of beer nature and organised games gnawingly aware of being an urban Jew islanded in a sea of country-loving Anglo-Saxons Obsessed by failure morbidly in his own case gloatingly in that of his contemporaries so much so that he plans to write a bestseller on the subject In the meantime he is uncomfortably aware of advancing years and atrophying achievement and no amount of lofty rationalisation can disguise the triumph of friends and colleagues not only from Cambridge days but even within the despised walls of the Poly itself or sweeten the bitter pill of another's success

The Making of Henry Howard Jacobson, 2004 Out of the blue Henry Nagel receives a solicitor's letter telling him he has inherited a sumptuous apartment in St John's Wood He is glad to escape the north where there is nothing and no one to keep him After nearly 60 years of disappointment his life is about to change

The Comic Turn in Contemporary English Fiction Huw Marsh, 2022-02-24 The Comic Turn in Contemporary English Fiction explores the importance of comedy in contemporary literature and culture In an era largely defined by a mood of crisis bleakness cruelty melancholia environmental catastrophe and collapse Huw Marsh argues that contemporary fiction is as likely to treat these subjects comically as it is to treat them gravely and that the recognition and proper analysis of this humour opens up new ways to think about literature Structured around readings of authors including Martin Amis Nicola Barker Julian Barnes Jonathan Coe Howard Jacobson Magnus Mills and Zadie Smith this book suggests not only that much of the most interesting contemporary writing is funny and that there is a comic tendency in contemporary fiction but also that this humour this comic licence allows writers of contemporary fiction to do peculiar and interesting things things that are funny in the sense of odd or strange and that may in turn inspire a funny turn in readers Marsh offers a series of original critical and theoretical frameworks for discussing questions of literary genre style affect and politics demonstrating that comedy is an often neglected mode that plays a generative role in much of the most interesting contemporary writing creating sites of rich political stylistic cognitive and ethical contestation whose analysis offers a new perspective on the present
