The God who Smokes Timothy Stoner, 2007-11 With a casual narrative voice Stoner presents an honest look at a controversial subject This work is an unwavering answer to the postmodern cry for an authentic knowable truth and Stoner offers an engaging argument for those seeking to understand this cultural phenomenon *Evangelicals Engaging Emergent* William David Henard, Adam W. Sociology of Mystic Practices Dann Wigner, 2018-06-08 This book investigates the process of spiritual borrowing between the emergent church EC and the Christian mystical tradition From its inception the EC has displayed interest in mystic practices but the exact nature of this interest or how these practices are appropriated and reinterpreted in the EC context has not been researched My research shows that the emergent church is appropriating Christian mystic practices by investing these practices with their own theological content The practices themselves are changed to fit in their new context showing that EC belief shapes EC behavior My study adds a new case study perspective to the sociological examination of the process of spiritual borrowing especially through close inspection of how a spiritual practice changes to fit a new theological context Additionally my book contributes to the study of the complex relationship between belief and behavior

Timothy J Stoner, 2024-09-18 A PROPHETIC MANIFESTO FOR CHRISTIANS IN CONFLICT CAUGHT BETWEEN LOVE OF POWER AND THE POWER OF LOVE In a time of confusion and chaos amid competing voices shouting out lies as truth and decrying truth as a lie it becomes essential to distinguish reality from unreality The book of Hosea provides a master class in unmasking deception layer by deceptive layer Through his words in tandem with his prophetic marital performance Hosea

exposes the lies that had captivated Israel's imagination and affection stolen her vitality robbing her of her vocation to reflect God's beauty and compassion to the nations Many Christians have been similarly ensnared and are convinced that pursuing power will guarantee the survival of their nation and their way of life Hosea's task is to uncover the truth God's people have been seduced into worshiping a false god who guarantees peace and prosperity at the cost of following a Lord who calls His people to imitate His steadfast loyal sacrificial love This is an expose of delusion a lament over barrenness and exile but also a promise of astonishing fruitfulness Tim was raised in Chile South America and in Spain where his parents served as Baptist missionaries He studied at Cedarville University Grand Rapids Theological Seminary and Thomas Cooley Law School He was a litigating attorney for Migrant Legal Services and research attorney for the Michigan Court of Appeals before starting his own practice in 1993 specializing in Estates and Trusts He has been married to his best friend Patty for over 40 years They have five children His first book The Paladins a fantasy spiritual warfare thriller was published in 1998 followed by The God Who Smokes Scandalous meditations on faith Warrior Poet Before David became King and Crucify Why the Crowd Killed Jesus He lives in Grand Rapids Michigan
