Virtual Diaspora, Postcolonial Literature and Feminism Ashmita Khasnabish, 2022-12-16 This book analyses the resolution of the psychic problem of diasporic existence from a postcolonial feminist perspective by inscribing and defining the meaning of virtual diaspora through the lens of the East India and the West It explores the situation that arises when one leaves one's country and becomes an emigrant immigrant which often causes pain both in the departure from one's motherland and in the adaptation to a new environment The book employs the theory of Deleuze and Guattari and explores the interstices of real and virtual diaspora and the aftermath of diaspora as a mental journey Adding a new interpretation of transcendence taken from the Indian perspective the book examines the Deleuze's theory of immanence and transcendence

and the two major concepts of becoming and real virtual The book also examines the works of Helene Cixous J M Coetzee Jhumpa Lahiri Kunal Basu and Tagore in light of the concept of virtual diaspora and from a postcolonial feminist angle It does so by raising the following questions When one has emigrated to a different country can one conceive of that existence as real or virtual or both Do emigrants or diasporic individuals live a life of both real and virtual diaspora This comes from the idea that both real and virtual diaspora under different paradigms may be related to the power struggle and master slave dialectic that affects all of humanity A valuable addition to the study of postcolonial literature the book will also be of interest to researchers in the fields of diaspora studies postcolonial feminist theory postcolonial literature feminist philosophy interdisciplinary studies and Asian Studies in particular South Asian Studies From Literary Composition to Cinematic Adaptation: A Study of Cinema through Literature from Indian Perspective Dipak Giri, 2022-03-12 Adaptation of literary texts be it Indian or foreign into Indian cinema or Indian literary texts into foreign cinema is not new for film makers rather one can say that such adaptation is as long as film making itself Last few decades have witnessed a spectacular rise of many such adaptations produced out of literary texts From past to present literary texts of many popular writers from national to global level have been adapted into Indian cinema and also Indian literary texts into foreign cinema However adapting a literary work into a two or three hours cinema mostly in case of a novel is not always an easy task to a film maker as sometimes accommodation does not come to fit in the stipulated time frame which eventually results in messing up the whole essence of the original art Regardless of partial or whole a cinema based on literary text has always been a great appeal to an erudite person The present anthology is an endeavour of some select Indian cinema based on literary texts irrespective of Indian and foreign and also some foreign cinema based on wholly Indian literary texts Be it Indian cinema based on popular world literature or foreign cinema based on wholly Indian texts the book is a deft study of the cinematic adaptation of literary texts from an Indian perspective **Outlook** , 2008-03-10 *My City Links* My City Links, 2020-02-01 Celebrating Craze For Cuisines From Home Away Food is the elixir of life literally A culinary revolution is fermenting in the state with Bhubaneswar leading the trend Our Cover Story takes a look at how foodies in the state capital are opening up to new dishes and exotic delicacies from other parts of the country and beyond The growing demand has proved a boon for the hotel industry too with new restaurants cafes and food malls coming up to rake in the moolah What s more big national and international chains are also opening shop adding spice to the food scene Cuttack and Puri on the other hand still strike a traditional note with their servings of age old favourites like Dahibara Alloodum Ghugni Khaja Cha Chops and the ilk Recently however they are also catching up with changing food tastes and adding new varieties to their menus for locals and tourists alike Food streets have also witnessed a sea change with foreign entrants like Pizzas Burgers and Lasagne jostling for space with traditional fares like Biryani Chowmein and Dosa And the catering is also changing with new concepts like food trucks and Khau Gallis making an appearance But all said and done Odisha continues its romance with cherished home cooked food This is most
