Britannica Book of the Year 2012 Encyclopaedia Britannica, Inc., 2012-03-01 The *Britannica Book of the Year 2012* provides a valuable viewpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever changing populations governments and economies throughout the world It is an accurate and comprehensive reference that you will reach for again and again

Census Jesse Ball, 2018-03-22 *CENSUS* is a vital testament to selfless love a psalm to commonplace miracles and a mysterious evolving metaphor So kind it aches David Mitchell author of *Cloud Atlas* A father and son who are census takers journey across a nameless country from the town of A to the town of Z in the wake of the father's fatal diagnosis Knowing that his time is menacingly short the father takes his son who requires close and constant adult guidance on this trip of indefinite length Their feelings for each other are challenged and bolstered as they move in and out of a variety of homes meeting a variety of different people *Census* is about the ways in which people react to the son's condition to the son as a person in the world It is about discrimination and acceptance kindness and art education and love It is a profoundly moving novel glowing with wisdom and grace roaring with a desire to change the world

The Divers' Game Jesse Ball, 2019-09-12 A pair of girls Lethe and Lois navigates the perimeters of a segregated city armed with canisters of killing gas Another child Lessen is at the centre of a bizarre cultural ritual that could be the subject of a Goya painting Centring on the garish festivals of an allegorical nation *The Divers Game* moves through worlds in which kindness is no longer meaningful A scathing indictment of the inequalities of Western society it makes visible the violence that has threaded its way into every aspect of our lives and the radical empathy we need to combat it

Autoportrait Jesse Ball, 2022-08-16 Nominated for the Chicago Review of Books Award A work of unflinching honesty *Autoportrait* is a hypnotic memoir of reflection loss and everyday joy from one of America's best contemporary novelists Jesse Ball has produced fourteen acclaimed works of deeply empathetic absurdism in poetry and fiction Now he offers readers his first memoir one that showcases his humane curiosity James Wood and invites the reader into a raw and personal account of love grief and memory Inspired by the memoir *douard* Lev put to paper shortly before his death *Autoportrait* is an extraordinarily frank and intimate work from one of America's most brilliant authors The subtle power of

Ball's voice conjures the richness of everyday life. On each page half-remembered moments are woven together with the joys and triumphs and the mistakes and humiliations too that somehow tell us who we are, why we are here. Held at the same height as tragic accounts of illness or death are moments of startling beauty, banality or humor. I wake in the morning. I sit. I walk long distances. If there is somewhere to swim, I may swim. If I have a bicycle, I will ride it, especially to meet someone. There is no more preparing for me to do other than preparing for death, and I do that by laughing. Not laughing at death, of course. Laughing at myself. An extraordinary memoir that reminds us what is possible and builds to the kind of power one might feel reading Anne Carson's *Glass Essay* or Joe Brainard's *I Remember*. Autoportrait will leave you feeling utterly invigorated, inspired, and a little afraid.

The Repeat Room Jesse Ball, 2025-09-02 Franz Kafka meets Yorgos Lanthimos in this provocative new novel from one of America's most brilliant and distinctive writers. In a speculative future, Abel, a menial worker, is called to serve in a secretive and fabled jury system. At the heart of this system is the repeat room, where a single juror, selected from hundreds of candidates, is able to inhabit the defendant's lived experience to see as if through their eyes. The case to which Abel is assigned is revealed in the novel's shocking second act. We receive a record of a boy's broken and constrained life, a tale that reveals an illicit and passionate psychosexual relationship, its end as tragic as the circumstances of its conception. Artful in its suspense and sharp in its evocation of a byzantine and cruel bureaucracy, *The Repeat Room* is an exciting and pointed critique of the nature of knowledge and judgment and a vivid framing of Ball's absurd and nihilistic philosophy of love.

How to Set a Fire and Why Jesse Ball, 2016-02-24 A startling subversive novel about a teenage girl who has lost everything and will burn anything. Fourteen-year-old Lucia is a young narrator whose voice will long ring in your ears. She is angry with almost everyone, especially people who tell her what to do. She follows the one rule that makes any sense to her: Don't Do Things You Aren't Proud Of. Orphaned and living with her elderly aunt in poverty in the converted garage of a large mansion, Lucia makes her way through the world with only a book, a Zippo lighter, and a pocket full of stolen licorice. Expelled from school again, Lucia spends her days riding the bus to visit her mother in The Home. When Lucia discovers a secret Arson Club, she will do anything to be a part of it. Her own arson manifesto is a marvellous anarchist pamphlet written with biting wit and striking intelligence. The voice of teenaged Lucia is a tour de force, a brilliant wrenching cry from the heart and mind of a super-smart, funny girl who can't help telling us the truth, a riveting chronicle of family, misguided friendship, and loss.

How to Set a Fire and Why is Jesse Ball's most accessible novel yet, after *Silence Once Begun* and *A Cure for Suicide*. The pyrotechnics on display here will dazzle. Jesse Ball is the author of five other novels: *Samedi the Deafness*, *The Way Through Doors*, *The Curfew*, *Silence Once Begun*, and *A Cure for Suicide*. Ball received an NEA creative writing fellowship for 2014 and the 2008 Paris Review Plimpton Prize. His verse has been included in the Best American Poetry series.
