Dracula Gavin Baddeley, Paul Woods, 2022-09-22 A war hero a mass murderer and a Gothic legend the world has never forgotten Vlad the Impaler is one of history's most compelling and brutal characters with a bizarre afterlife as a cult horror sensation A hero to his countrymen Vlad Dracula is a byword for dread Not just for generations of Western fans of Gothic fiction and film but also for an appalled and fascinated 15th century readership for whom contemporary accounts of Dracula's atrocities became the world's first horror bestsellers Combining historical research and dramatic reconstruction with contemporary reference here is Vlad the Impaler's dramatic career from pampered captive of the Ottoman Sultans to exterminating angel of Christian vengeance But in reality was he the embodiment of unbridled cruelty or model ruler of an embattled realm Prince Dracula also examines the role of psychological warfare and black propaganda in international politics from the medieval torture chamber to the headlines of the modern age and shows Vlad as an unwitting pioneer of the modern world Plying a grisly course through medieval bloodbaths and contemporary horrors Gavin Baddeley and Paul Woods leave no tombstone unturned in this extraordinary history **Postmodern Vampires** Sorcha Ní Fhlainn, 2019-04-25

Dilemma Duncan Light,2016-03-23 For many in the West Romania is synonymous with Count Dracula Since the publication of Bram Stoker's famous novel in 1897 Transylvania and by extension Romania has become inseparable in the Western imagination with Dracula vampires and the supernatural Moreover since the late 1960s Western tourists have travelled to Transylvania on their own searches for the literary and supernatural roots of the Dracula myth Such Dracula tourism presents Romania with a dilemma On one hand Dracula is Romania's unique selling point and has considerable potential to be exploited for economic gain On the other hand the whole notion of vampires and the supernatural is starkly at odds with Romania's self image as a modern developed European state This book examines the way that Romania has negotiated Dracula tourism over the past four decades During the communist period up to 1989 the Romanian state did almost nothing to encourage such tourism but reluctantly tolerated it However some discrete local initiatives were developed to cater for

Dracula enthusiasts that operated at the margins of legality in a communist state In the post communist period after 1989 any attempt to censor Dracula has disappeared and the private sector in Romania has been swift to exploit the commercial possibilities of the Count However the Romanian state remains ambivalent about Dracula and continues to be reluctant to encourage or promote Dracula tourism As such Romania's dilemma with Dracula remains unresolved *Encyclopedia of American Popular Fiction* Geoff Hamilton, Brian Jones, 2015-04-22 Provides information on American authors and their works who have been ignored by most literary guides

My Father's Fathers Barbara Grivna, 2013-04 Dear Readers My Father's Fathers is a composite of historical and archaeological fact personal oral and written histories These are woven together with my remembrances and hypotheses to narrate the history of my ancestors as nothing else exists to explain me That said combining and establishing theories is the work I put my mind to for the past three years So please don't contact me to correct my inaccuracies or blunders I acknowledge them and have embraced them The scientific historical and archaeological information is all true as far as I can comprehend it There really have been millions of tribes thousands of dynasties mass migrations and countless wars since the Neolithic period far too many to cite or explore deeply I could not have written this book or found many illustrations without using the entries in Wikipedia.org They are in my estimation one of the greatest boons the computer has provided us I know people say it is not always accurate and I found different versions of events on other websites When compared they often offered additional information or a different view of affairs but for my purposes they hung together I urge you to support Wikipedia if you use their site because they always seek to upgrade their information and for this they should be rewarded A list of all the sources I consulted containing information relevant to this paper would be virtually endless so I have listed some of the principal authors and titles I am greatly indebted to them all If you wish to start exploring your genetic history it will lead you to many exciting places I recommend you begin your search by consulting Shannon Bennett's article in Family Tree Magazine entitled DNA Demystified Genetic Genealogy for First Timers p 42 December 2012 The magazine is published by F W Media Inc Cincinnati Ohio My cat Sassy always helped me edit the information I wrote by watching the words appear on the computer screen or lying on my lap and pawing the pages as I tried to make sense of what I was trying to say What would I have done without her Keep reading and be well Sincerely Barbara Grivna
