*Something to Say* William Carlos Williams,1985

Something to Say William Carlos Williams on Younger Poets collects all of Williams known writings reviews essays introductions and letters to the editor on the two generations of poets that followed him from Kenneth Rexroth and Louis Zukofsky to Robert Lowell and Allen Ginsberg What might have been a random collection of occasional pieces achieves remarkable coherence from the singleness of Williams poetic vision his belief that the secret spirit of ritual of poetry was trapped in restrictive molds and if these could be broken the spirit would be able to live again in a new contemporary form Only a revived clarity and accuracy in sight and expression would enable the modern world to reform social order which Williams saw in complete disarray To resuscitate American Poetry Williams concentrated his efforts on the purification of poetic speech his American idiom and on remaking the poetic line in a new measure his variable foot And while his battles with his contemporaries on these issues could be heated he was always a nurturing father to the young a useful presence a model and a liberator He told Ginsberg to pare down and economize Roethke to open up and encouraged Lowell and Levertov to shake off poetic conventions But in all his emphasis on the poem as a made object of concrete physicality or as a field of action he would return again and again to this basic advice to young writers The only thing necessary is to have something to say when at last the opportunity comes to say it Twenty Years of French Literary Criticism Freeman G. Henry,1994 *Sample//Journal of Albion Moonlight* Kenneth Patchen,2010-08-30 sample book Journal of Albion Moonlight Kenneth Patchen,1961 Lyda Phillips,2005-07-01 In 1965 the South remained defiantly segregated Eddie Russell a star football player and his timid sister Lakeesha are told they will be helping to desegregate an all white high school Their father tells them they will be fighting for a righteous cause but they aren't buying it because they have no choice in the matter From the first day of school the wall of hostility Eddie and Lakeesha face at Forrest High School seems unbreakable until they meet cheerleader Nancy Martin She sees the cruelty and crosses the line to befriend the black students starting a cycle of violence that threatens to spin out of control Will the minority students hold on long enough to complete their mission and that of the adults who put them in this situation or will they bow to the onslaught of psychological and physical abuse **The Journal of Albion Moonlight.**
