The Last Hunter Collected Edition By Jeremy Robinson:

The Last Hunter - Collected Edition Jeremy Robinson, Jeremy Robinson, MSW, MCC, 2013-11 I've been told that the entire continent of Antarctica groaned at the moment of my birth The howl tore across glaciers over mountains and deep into the ice Everyone says so Except for my father all he heard was Mother's sobs Not of pain but of joy so he says Other than that the only verifiable fact about the day I was born is that an iceberg the size of Los Angeles broke free from the ice shelf a few miles off the coast Again some would have me believe the fracture took place as I entered the world But all that really matters according to my parents is that I Solomon Ull Vincent the first child born on Antarctica the first and only Antarctic was born on September 2nd 1974 If only someone could have warned me that upon my return to the continent of my birth thirteen years later I would be kidnapped subjected to tortures beyond comprehension and forced to fight and kill If only someone had hinted that I'd wind up struggling to survive in a subterranean world full of ancient warriors strange creatures and supernatural powers Had I been warned I might have lived a normal life The human race might have remained safe And the fate of the world might not rest on my shoulders Had I been warned This is my story the tale of Solomon Ull Vincent The Last Hunter This collected edition of The Antarktos Saga includes all five books in the series Descent Pursuit Ascent Lament and Onslaught as well as never before seen art and character designs inspired by the series an exclusive short story titled The Children of Antarktos and an interview with bestselling author Jeremy Robinson composed primarily of questions asked by fans of the series
