The Love He Saved None By Carol Denise Mitchell:

The Love He Saved Carol Denise Mitchell, 2009-11 Frankie Mae Tyson was in love She loved Michael Jackson for as long as she could remember and she had always dreamed of meeting him One day while driving down the Santa Monica freeway 20 year old Frankie saw a large flashy limousine There wasn't a doubt in her mind it was Michael Jackson They flirted as they drove down the highway Frankie Mae had never been a popular girl In school the boys had made fun of her but Michael Jackson saw her picture in a vacant store window before he met her and he saw the plain girl in a special light He cared about her She cared about him and they were both successful in keeping their union secret from the world He truly loved her She had self confidence after meeting Jackson and she made it clear to him from the start that she did not want anything but his love For many years Frankie refused to accept Michael's attempts to free her from the ghetto Michael and Frankie were careful to keep their relationship a secret from Oprah and the world as Michael used doubles to cover for him when he was with his secret love Frankie Mae He even surprised her one day when just hours before his famous Moonwalk on Motown 25 he attended her Security Guard of the Month Award ceremony As Michael watched me through a peephole that day I was proud of him for always supporting me and I was stunned to see the determination of opportunists and the media to bring Michael Jackson down When you love a man as much as I love Michael death can be a surreal thing to go through I am not going to take my life I am going to live my life in memory of Michael Jackson I am not worried for he knows that I will be with him one day as I promised

Ruthless Pamela Jean Carol Denise Mitchell, 2021-07-18 This gripping story about an abused girl who uses the unlikely prototype of a pimp as a guide to a better life acts as a sort of metaphor of social realism regarding the rise of African Americans to greater prominence and wealth in modern society as a whole The narrative which is closely written and uses a realistic version of African American speech soon draws us into the central dilemma of a child who due to her light skin is rejected by the other children in her school this then leads to her being ostracized bullied and at one point even her life is threatened When she retaliates in order to save herself the system unfairly punishes her Female sexual frustration is not something that often appears in the media which tends to center upon ladies complaining about the unwelcome attentions of men but this book tends to show that many older women are deprived of fulfillment of their intimate needs by social niceties and prudery Pamela is acutely aware of this problem and does something to provide relief for these

Curtis Anderson,2007-09-01 Mention the record album Jesus Sound Explosion to a typical child of the 1970s and that person is likely to picture one of those collections that used to be shown on TV Call now Not available in stores When Mark Curtis Anderson spied a copy in a junk store a few years ago he knew just what he d found and the memories of growing up in a Baptist minister s family came flooding forth The title of Anderson s memoir is a nod to the live concert album from Explo 72 a kind of evangelical Woodstock emceed by Billy Graham Explo s crowds of 100 000 plus signaled that enterprising evangelicals were discovering how to use rock and roll in the marketplace of conversion Anderson was eleven that year too young to be at Explo but old enough to wish he was Other preachers kids may have gazed out at the wider world and craved its movies clothes or toys but he wanted its music And not just the Jesus rocker fare of Explo s Armageddon Experience or Children of Truth but the real stuff too Jesus Sound Explosion recalls Anderson s quest for worldliness through rock as he came of age under the gaze he often sensed of his father s entire congregation All of the backsliding and revival idealism and disillusionment one would expect is here told with delightfully understated humor and set against the sounds of The Guess Who Yes Lynyrd Skynyrd and Bruce Springsteen Here is a knowing look back on a time when Jesus Christ Superstar climbed the pop charts The Cross and the Switchblade hit the big screen and anxious parents played their kids records backwards in search of hidden messages from Satan
