scholars contend that the demise of the unsinkable ship left more behind than a memory of April 15 1912 as an important
point in history Through books films stories and songs the archetypal shipwreck has endured as a metaphor for the perils of
mankind s hubris and the fallibility of technology In 1985 the discovery of the long missing wreckage two miles below the
surface of the Atlantic revitalized interest in the Titanic and spawned a new generation of books films and for the first time
websites and computer games James Cameron s blockbuster Titanic became the biggest movie of all time and engendered
still greater popular interest in the tragic event This bibliography is a survey of the immense volume of literary dramatic and
