God Is Not a Christian, Nor a Jew, Muslim, Hindu... Carlton Pearson, 2010-03-30 The author of The Gospel of

Inclusion continues to rouse organized religion as he raises controversial issues and provides enlightening answers to the deepest questions about God and faith What is God Where is God Who is the one true God Questions such as these have driven a thousand human struggles through war terrorism and oppression Humanity has responded by branching off into multiple religions including Christianity Judaism Islam each one pitted against the other But it doesn't have to be that way In God Is Not a Christian nor a Jew Muslim Hindu the provocative and acclaimed Bishop Carlton Pearson follows up on his celebrated first book The Gospel of Inclusion to tackle these questions and many more exploring new ideas about God and faith and putting forth the stunning assertion that God belongs to no particular religion but is an ever loving presence available to all For these beliefs Bishop Pearson lost his thriving Pentecostal ministry but was catapulted instead into a greater pulpit His readership has grown through appearances on national television and an extensive speaking schedule With the world in the midst of a holy war there is no better time for the wisdom of Bishop Pearson to reach a global audience Bishop Pearson's many loyal fans along with new readers will surely welcome this provocative and eye opening exploration of a deeper faith one that goes far beyond any fundamentalist way of thinking be it Christian Jewish Muslim Hindu etc Simply put Bishop Pearson dares to tell the truth so many others are too afraid to face **Neale Donald Walsch's Little Book of Life** Neale Walsch, 2025-09-12 A little book that teaches readers how to incorporate the message of Conversations with God into their daily lives In 1999 Neale Donald Walsch wrote three little books each focusing on different areas of life Neale Donald Walsch on Relationships Neale Donald Walsch on Holistic Living and Neale Donald Walsch on Abundance and Right Livelihood In 2010 these three books were published in a single volume as Neale Donald Walsch's Little Book of Life Walsch describes this book as a thousand pages of dialogue in the Conversations with God series reduced down to a few salient points and a few very direct observations about how to render them functional Readers can think of this book as either Conversations with God in a Nutshell or the Essential Conversations with God Here are the basic principles for Satisfying personal relationships Living a joyful harmonious life Discovering authentic prosperity Walsch's words provide hope and help for readers living in particularly challenging times This is indeed Walsch's essential life guide for twenty first century readers Walsch writes candidly about great questions of purpose peace and happiness that haunt humanity Publishers Weekly

False Dawn Lee Penn, 2004 The interfaith movement which began with the 1893 World's Parliament of Religions in Chicago has grown worldwide Although this movement has been largely unknown to the public it now provides a spiritual face for globalization the economic and political forces leading us all from nationalism to One World The most ambitious organization in today's interfaith movement is the United Religions Initiative URI founded by William Swing the Episcopal Bishop of California Investigative reporter Lee Penn a Catholic ex Marxist exhaustively documents the history and beliefs of the URI and its New Age and globalist allies the vested interests that support these movements and the direction they appear to be taking The interfaith movement is no longer merely the province of a coterie of little heeded religious idealists with

grandiose visions The URI s proponents have ranged from billionaire George Soros to President George W Bush from the far right Rev Sun Myung Moon to the liberal Catholic theologian Hans K ng and from the Dalai Lama to the leaders of government approved Protestant churches in the People s Republic of China The interfaith movement including the URI is being promoted by globalist and New Age reformers who favor erosion of national sovereignty marginalization of traditional religions establishment of global governance and creation of a new Earth based global spirituality in effect a one world religion Therefore the URI and the interfaith movement are poised to become the spiritual foundation of the New World Order the new civilization now proposed by Mikhail Gorbachev the last leader of the Soviet Union In The Reign of Quantity and the Signs of the Times French metaphysician Ren Gu non spoke of the anti tradition the forces of materialism and secular humanism finally giving way to the counter tradition the satanic inversion of true spirituality leading to the regime of Antichrist The anti tradition weakens and dissolves traditional spiritualities after which the counter tradition sets up a counterfeit in their place Since Gu non s time as is well known anti traditional forces have greatly advanced worldwide It is less well known that counter traditional movements have also made great strides and now stand closer to the centers of global political and religious power than ever before The counter tradition is making inroads on the political and cultural Right as much as it is doing on the Left False Dawn painstakingly documents these trends and speculates on their future development In so doing the author takes investigative reporting to the threshold of prophecy and gives us a stunningly plausible picture of the global religious landscape of the 21st century This extraordinary project is the literary equivalent of turning over a flat rock There is much to be seen and learned here all of it unsettling disquieting occasionally downright scary William Murchison Radford Distinguished Professor Baylor University When a bishop of a Christian church happily worships alongside a Wiccan invoking other gods something has gone horribly wrong In False Dawn Lee Penn has produced a comprehensive and critical history of the United Religions Initiative This book sounds a clear warning Anyone who makes theological truth subservient to utopianism denigrates all religions Douglas LeBlanc Editor GetReligion org [Finding the Lost UNIVERSAL PRINCIPLES](#) [Universal Principles](#) Patricia Pillard McCulley, 2010 Do you ever have questions about life such as why doesn t it seem to make sense Or have you ever wondered why things happen as they do Do you ever ask what is life really about Perhaps life is like a game but we don t know the rules and we don t know how to win What if we are all playing the same game of life but on different levels Is the game we play competing with others or only with ourselves Is life to be considered as play rather than the heavy drama it seems sometimes What are the rules and how do we discover them Universal Principles and Spiritual Truths answer these questions They always were are and forever will be They are unchangeable and a solid foundation on which to build your life Why The Three Little Pigs You ll have to read the book to discover the secrets they unlock that have been lost for over 100 years **God Are You Talking to Me?** Dr. Tana Tillman, 2010-12-01 Have you ever awakened in the middle of the night and had such a strong feeling of having to do

Illustrations throughout **Limitless Possibilities** Kathleen Walsh, 2009-09-24 Each of us has felt the energy shift as the planet transitions into the fifth dimension We have felt time speed up and felt energies that are at times so chaotic and unpredictable that we have been thrown off our usual course Some of us have been rocked to our very core We are asking ourselves what is this and why is this happening We each have chosen to come to earth during this time of great transition We are all here sharing our lives with each other helping Mother Earth move into the Golden Age the spiritual Age of Aquarius This transition will complete on the date that the Mayan civilization predicted some 26 000 years ago December 21st 2012 There is much work to be done as we realize the need for the shift that must occur in our personal lives so that we can be in sync with the new fifth dimensional energy on this planet As our world resets itself so too must we reset ourselves What this means to each of us is that it is time to understand the meaning of how to live more fully in the fifth dimension Each of us must identify where we currently stand and where we need to go in order to experience the wonderment of fifth dimensional living Why Many of us may be existing as a two or a three dimensional person The energies that sustain those dimensions no longer exist on this planet So the old ways of thinking or operating that produced success at one time no longer exist It is now necessary for us if we are to exist in harmony with our planet to transition as well If we choose not to transition then frustration and anger will become paramount in our lives The choice is up to us To live in the fifth dimension is not only to experience the energy of magic and miracles but to learn that we can create all the perfection we desire in our lives by simply shifting our thinking into fifth dimensional thinking We are able to see the perfection where formerly we saw the illusion of imperfection This new vantage point allows us to become the center of our own reality and easily navigate through difficult individuals and challenging events while maintaining a state of balance and harmony We are then able to turn possibilities into probabilities and probabilities into actualities This journey begins with describing and identifying all of the unseen but certainly not unfelt influences in our lives that have been given to each of us to help us live our life on earth in the best and easiest manner possible Each reader will be able to identify their birthright gift as well as the other gifts

available to tap into and expand one's energy thereby allowing this innate knowledge to grow and develop. A Higher Purpose Jim Reger, 2012 This is a book of thoughts I've always been intrigued by thoughts. And now in my mid sixties after a few successful careers watching my kids grow into adults and having celebrated my 40th wedding anniversary it has become clear to me that my life is definitely a direct reflection of the thoughts that I have held over all those years. I have read about this notion and while intuitively it made sense to me I now can say with clarity that my life is living proof that the emotional intensity and amount of time that I applied to a thought had a direct relationship to what results showed up in my life. My life has been a search for meaning and significance. The thoughts and quotes in this book have provided me with the greatest inspiration for reflection. I hope you take this book home pick it up put it down reflect and pick it up again and again
