I am Providence Nick Mamatas,2016-08-02 For fans of legendary pulp author H P Lovecraft there is nothing bigger than the annual Providence based convention the Summer Tentacular Horror writer Colleen Danzig doesn t know what to expect when she arrives but is unsettled to find that among the hob knobbing between scholars and literary critics are a group of real freaks book collectors looking for volumes bound in human skin and true believers claiming the power to summon the Elder God Cthulhu one of their idol s most horrific fictional creations before the weekend is out Colleen s trip spirals into a nightmare when her roommate for the weekend an obnoxious novelist known as Panossian turns up dead his face neatly removed What s more unsettling is that in the aftermath of the murder there is little concern among the convention goers The Summer Tentacular continues uninterrupted except by a few bumbling police Everyone at the convention is a possible suspect but only Colleen seems to show any interest in solving the murder So she delves deep into the darkness where occult truths have been lurking since the beginning of time A darkness where Panossian is waiting spending a lot of time thinking about Colleen narrating a new Lovecraftian tale that could very well spell her doom

Batman Unauthorized: Vigilantes, Jokers, and Heroes in Gotham City covers expansive territory ranging from the silly to the solemn. Why is the Joker so good at pushing Batman's buttons? What does Batman's technology say about the times? Why are Batman's villains crazier than average? And why is Batman the perfect iconic American hero?
