

A photograph of a forest path in autumn. The path is covered in yellow leaves and leads into the distance. Tall, thin trees line the path, their leaves also yellow. The overall scene is warm and golden.

Wandering Feelings By Boyko Ovcharov:

Wandering Feelings Boyko Ovcharov, 2013-04-04 There is a certain line of destiny for each one of us which seems as if no one and nothing could ever change Is that really so however Perhaps some people would disagree These are the people that will always believe that it may be changed because it is like a strip of sand which remains after the tide at the seashore and is different every time Part of those people is this couple two young companions who can still love and have their dreams They are gazing at the profound essence of the world's earthly human time as well as the one of eternity within them the heart one A criss cross of interweaving roads leads them far away but only a single one brings them back home Quite often it turns out that it is in fact the longest really arduous and sometimes the loneliest one When taking a look at signs in life we can see the recollections of anguish or short lived happiness and bliss Nevertheless they will always be seeking their home or perhaps the family warmth the way they remember it that is their hearth In the course of time they will realise that it is no longer there but has turned into an unfamiliar place of lost feelings

Wandering Feelings Boyko Ovcharov, 2022-01-18 There is a certain seemingly unchangeable line of destiny for each one of us But is it really so There are people who believe that our life can be changed because it is like a strip of sand which remains after the tide at the seashore yet is different every time These two people a couple are among those people who can still love and have their dreams Gazing at the profound essence of the world's earthly human time as well as the one of eternity within them the heart one A criss cross of interweaving roads leads them far away but only a single one can bring them back home But can they find home and the warmth of family or has it already turned into an unfamiliar place of lost feelings

Life After Life Boyko Ovcharov, Ph.d., 2012-09-19 REVIEW All in all this book is very down to earth and yet quite profound thought provoking and captivating your mind It is easy to read but exciting and you will not be able to put it down You may even want to reread it again and again as you will find something new every time around Enjoy this read with a pinch of subtle humor and self irony QUOTE People acquire knowledge all their lives Knowledge and wisdom are regarded as real treasures that shall be retained for future generations Therefore live and let live in harmony and love wisely and considerately FOREWORD AND DEDICATION This book is a guide to and through life or at least it could be if you like It is intended for all who love life and dare to live or aspire to a better existence For some people the brain is only an organ of minor importance as an ancient philosopher once said Therefore I would like to dedicate the following narrative or short story to all who acknowledge the importance of the human mind together with its positive and beneficial demonstrations in people's actions senses and emotions
