Healing in the Woods Healing in the Woods H. A. Bryan,2018-06-13 Shattered by her break up Anne Marie emerges from isolation She seeks refuge in the nearby woods but becomes lost in the forest to a small cottage and greeted by an old woman The older woman soon begins to teach Annie about the use of herbs how to work with animals and many other aspects of the old ways When Annie goes to town for supplies she must confront her ex and family who have bullied for generations Armed with her self reliance she is able to confront them with ever increasing confidence and helps Clark s latest victim her brother Drew As Drew slowly overcomes his fear of the woods he and Annie continue to learn from the old woman They learn it has been connected to Clark s family for generations After they stand up to Clark an even more dangerous threat from their past shows up and threatens not only their confidence but that of their family With the greater good at stake Annie Drew are forced to uncover the origin of their abilities generations of tradition and family secrets

Everlasting Lane Andrew Lovett,2014-08-01 There was something frightful about those woods But it wasn t the trees It was the shadows squeezed between them Galley Beggar Press s third release is another novel from a wonderful new talent following the success of *The White Goddess* An Encounter in 2012 and Eimear McBride s remarkable *A Girl Is A Half formed Thing* in 2013 Andrew Lovett s *Everlasting Lane* evokes the eternal summer of a 1970s childhood sun soaked nostalgic with the soft focus and warm glow of a Polaroid but offset by darkness Peter is a boy who doesn t really understand the present who refuses to think properly about the past but is compelled to come to terms with both in a story that is part *Secret Seven* part *I m Not Scared* and part *A Month In The Country* Glorifying in the joys and gentle adventures of childhood and featuring a sidekick Anna Marie as memorable as Dill in *To Kill A Mockingbird* *Everlasting Lane* is a bittersweet and delightfully strange exploration of the complexities of family relationships and the shadows that the past can cast over the present *Mary Anne St.*
