Aquarius Descending Elizabeth Chase Mysteries:

Aquarius Descending Martha C. Lawrence, Torn McGowan Elizabeth's cop boyfriend asks her to take on a case that seems to be more in her line of work than in his. The father of Tom's ex fiancée has come to him in desperation. He fears a mysterious package he's just received means that his daughter who has disappeared into The Bliss Project must be dead or in terrible trouble. Although Elizabeth is not too keen on the idea of accepting a case so close to home she didn't even know Tom had an ex fiancée and The Bliss Project's efforts at mind control threaten to wreak havoc on her finely attuned senses she agrees to investigate. But infiltrating a cult is no easy matter especially one that seems to have as many secrets as this one and soon Elizabeth finds herself in a life and death battle that will lead to a shocking conclusion. Just when you think you've seen everything something new comes and astounds you. *The Dallas Morning News*

Ashes of Aries Martha C. Lawrence, I closed my eyes intent on quieting my thoughts the necessary first step in opening up psychically I relaxed my shoulders and took a deep breath through my nostrils I smelted smoke Sharp and pungent it hit the back of my throat tickling the membrane I coughed and opened my eyes The nervousness I'd been feeling all morning turned to fear Something's burning I warned When Matthew Fielding the four year old son of a San Diego telecommunications mogul turns up missing the psychic skills of P I Elizabeth Chase are requested The stakes are raised soon after Elizabeth begins her investigation when a wildfire breaks out in Rancho Santa Fe the secluded community where Matthew and his family and Elizabeth's own parents live Aided and abetted by the Santa Ana winds flames rage out of control consuming thousands of acres and dozens of homes Before the ashes can be cleared away another fire blazes through everything in its path Are the kidnapper and arsonist one and the same Will Elizabeth be able to find the clues she needs in the dying embers around her It's a race against time as man and nature combine to wreak destruction on Elizabeth's community and keep a little boy lost forever In the fifth installment of a series Sue Grafton referred to as a natural and a supernatural as well Martha C Lawrence once again combines the quirky and the familiar as her smart resilient and endearing heroine uses her psychic ability and incomparable detecting skills to hunt down a killer

Pisces Rising Martha C. Lawrence, Just when you think you've seen everything something new comes and astounds you *The Dallas Morning News* I moved through the casino in a daze my senses overloaded by lights noise and the discordant vibes of the gamblers Their emotions numbness excitement anxiety ecstasy love loathing clashed all around me I stopped at a game and that's when it all started I began to know things It's an unpredictable gift an ability I can't force to come about Nor can I stop it once it's begun I knew that the short haired brunette at the end of the table would lose In spite of her pretty white smile and positive attitude I could see her defeat As for me it was as if I'd already played my hands and seen their outcome Tonight I was destined to win After seeing her fiancé gunned down at the end of her last investigation psychic detective Elizabeth Chase is reluctant to go back to detective work But when an old friend calls in a favor Elizabeth finds her unique talents pitted against her most brutal and baffling case yet the

pursuit of a vicious murderer wanted in connection with the scalping of a Native American casino owner Elizabeth soon learns that the tranquil setting of the Temecu reservation belies a dangerous undercurrent of political scheming racism and pure human greed As she struggles to figure out who can be trusted Elizabeth must call upon all of her resources not only to solve the crime but to restore her own spirit The first three Elizabeth Chase mysteries have been widely acclaimed by readers critics and other writers alike With a refreshingly eccentric style Martha C Lawrence makes psychic investigator Elizabeth Chase immensely appealing and totally believable says Diane Mott Davidson Or as Harlan Coben puts it You don't have to read the stars to see that Martha Lawrence is up there with the likes of Sue Grafton Sara Paretsky and Marcia Muller

The Cold Heart of Capricorn Martha C. Lawrence, Now Elizabeth Chase returns in a case more dangerous than ever An increasingly violent rapist has been terrorizing San Diego but the lack of physical evidence at the scenes gives the police very little to go on Skeptical but desperate as the rapist edges ever closer the cops turn to Elizabeth for paranormal assistance Her first step is to hypnotize the victims hoping to unearth clues buried in their subconscious memories But when her interpretations have devastating results she tries to back off the case only to find herself drawing nearer and nearer to the deadly conclusion Martha Lawrence's parapsychologist detective cast a spell on me I couldn't put the novel down Linda Barnes author of *Hardware*
