John Heywood's complete series of home lesson books. Code 1875 Alfonzo Gardiner, 1874 New York Magazine, 1988-03-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Air University Library Index to Military Periodicals**, 1997 *Ippolita Maria Sforza* Jeryldene M. Wood, 2020-06-04 In April 1455 ten year old Ippolita Maria Sforza a daughter of the Duke and Duchess of Milan was betrothed to the seven year old crown prince of the Kingdom of Naples as a symbol of peace and reconciliation between the two rival states This first full scale biography of Ippolita Maria follows her life as it unfolds at the rival courts of Milan and Naples amid a cast of characters whose political intrigues too often provoked assassinations insurrections and wars She was conscious of her duty to preserve peace despite the strains created by her husband's arrogance her father in law's duplicity and her Milanese brothers contentiousness The duchess's intelligence and charm calmed the habitual discord between her families and in time her diplomatic savvy and her great friendship with Lorenzo de Medici of Florence made her a key player in the volatile politics of the peninsula for almost 20 years Drawing on her letters and contemporary chronicles memoirs and texts this biography offers a rare look into the private life of a Renaissance woman who attempted to preserve a sense of self while coping with a tempestuous marriage dutifully giving birth to three children and supervising a large household under trying political circumstances **The Illustrated London Almanack**, 1884 Canadian Books in Print.
