As I Lay Dying The Corrected Text:

As I Lay Dying William Faulkner, 1991-01-30 A true 20th century classic from the Nobel Prize winning author of *The Sound and the Fury* the famed harrowing account of the Bundren family's odyssey across the Mississippi countryside to bury Addie their wife and mother *As I Lay Dying* is one of the most influential novels in American fiction in structure style and drama Narrated in turn by each of the family members including Addie herself as well as others the novel ranges in mood from dark comedy to the deepest pathos I set out deliberately to write a tour de force Before I ever put pen to paper and set down the first word I knew what the last word would be and almost where the last period would fall William Faulkner on *As I Lay Dying* This edition reproduces the corrected text of *As I Lay Dying* as established in 1985 by Noel Polk **William Faulkner's As I Lay Dying** Harold Bloom, 2013 Provides a collection of critical essays on Faulkner's *As I Lay Dying*

Faulkner and the Natural World Donald M. Kartiganer, Ann J. Abadie, 1999 Although he belonged to an American generation of writers deeply influenced by the high modernist revolt against nature and against the self imposed limits of realism to a palpable world William Faulkner reveals throughout his work an abiding sensitivity to the natural world He writes of the big woods of animals and of the human body as a ground of being that art and culture can neither transcend nor completely control The eleven essays that make up this volume including a paper written by the acclaimed novelist William Kennedy explore the place of the unbuilt world in Faulkner's fiction They give particular attention to the social mythic and economic significance of nature to the complexity of racial identity and to the inevitable clash of gender and sexuality These essays were presented in 1996 as papers at the Faulkner and Yoknapatawpha Conference held annually at the University of Mississippi Included are the following Lawrence Buell's *Faulkner and the Claims of the Natural World* Thomas L McHaney's *Oversexing the Natural World* Theresa M Towner's *Color Race and Identity in Faulkner's Fiction* Jay Watson's *The Art of the Literal in Light in August* Mary Joanne Dondlinger's *The Matter of Race and Gender in Faulkner's Light in August* Louise Westling's *Sutpen's Marriage to the Dark Body of the Land* Myra Jehlen's *Faulkner and the Unnatural* Diane Roberts's *Eula Linda and the Death of Nature* David H Evans's *The Bear and the Incarnation of America* Wiley C Prewitt Jr's *Hunting and Habitat in Yoknapatawpha* and William Kennedy's *Learning from Faulkner The Obituary of Fear* Donald M Kartiganer Howry Chair of Faulkner Studies in the Department of English and Ann J Abadie Associate Director of the Center for the Study of Southern Culture teach at the University of Mississippi *As I Lay Dying* William Faulkner, 1990 At the heart of this 1930 novel is the Bundren family's bizarre journey to Jefferson to bury Addie their wife and mother Faulkner lets each family member including Addie and others along the way tell their private responses to Addie's life *As I Lay Dying* is the harrowing darkly comic tale of the Bundren family's trek across Mississippi to bury Addie their wife and mother as told by each of the family members including Addie herself **As We Lay Dying** Sarah Mei-Wen Liu, 2000 **The New William Faulkner Studies** Sarah Gleeson-White, Pardis Dabashi, 2022-07-07 This volume situates Faulkner within a range of current and

emerging critical fields such as African American studies visual culture studies world literatures modernist studies gender studies and the energy humanities The essays are written with the Faulkner expert and general reader in mind and covers the full range of Faulkner's opus *Sixteen Modern American Authors* Jackson R. Bryer, 1989 Praise for the earlier edition Students of modern American literature have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form *Sixteenth Modern American Authors* it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains American Studies *The Grotesque* Harold Bloom, Blake Hobby, 2009 Contains twenty critical essays that explore themes of the grotesque in various works such as Voltaire's *Candide* Shelley's *Frankenstein* Gogol's *The Overcoat* and Kafka's *The Metamorphosis* **American Modernism and Depression Documentary** Jeff Allred, 2012-11-01 American Modernism and Depression Documentary surveys the uneven terrain of American modernity through the lens of the documentary book Jeff Allred argues that photo texts of the 1930s stage a set of mediations between rural hinterlands and metropolitan areas between elite producers of culture and the forgotten man of Depression era culture between a myth of consensual national unity and various competing ethnic and regional collectivities In light of the complexity this entails this study takes issue with a critical tradition that has painted the documentary expression of the 1930s as a simplistic and propagandistic divergence from literary modernism Allred situates these texts and the documentary modernism they represent as a central part of American modernism and response to American modernity as he looks at the impoverished sharecroppers depicted in the groundbreaking *Let Us Now Praise Famous Men* the disenfranchised African Americans in Richard Wright's polemical *12 Million Black Voices* and the experiments in Depression era photography found in *Life* magazine **Narrative Personae and Desire in Modernist Fiction** Kevin Ohi, 2025-09-25 Examining modernist fiction in the context of a longer tradition of narrative impersonality *Narrative Personae and Desire in Modernist Fiction* explores how narrative language renders subjective states of interiority and desire Inspired by linguistic analyses of the speakerless sentences of narrative language and their unoccupied centers of perception Kevin Ohi argues that modernist texts are populated by quasi persons narrative voices that are impersonal while trailing effects of personality and characters whose personhood is suspended the incisive rendering of psychology and desire produced by externalizations of consciousness Certain first person texts highlight the constitutive tension between the functions of narrator and character joined in that first person while in third person texts a charismatic or impervious central voice can be shown nevertheless to hold the psychologies it empties from the characters it describes At stake is the particular way that modernist narrative responds to the question of literature's capacities for addressing psychic life In Virginia Woolf's *Jacob's Room* William Faulkner's *As I Lay Dying* Ford Madox Ford's *The Good Soldier* Eudora Welty's *The Golden Apples* Ronald Firbank's *Concerning the Eccentricities of Cardinal Pirelli* and James Purdy's *Mourners Below* this

volume finds a paradoxical merger a humanizing effect achieved by narrative depersonalization and its evocations of psychology and desire

Merleau-Ponty and the Art of Perception Duane H. Davis, William S. Hamrick, 2016-03-01 This collection of essays brings together diverse but interrelated perspectives on art and perception based on the philosophy of Maurice Merleau Ponty Although Merleau Ponty focused almost exclusively on painting in his writings on aesthetics this collection also considers poetry literary works theater and relationships between art and science In addition to philosophers the contributors include a painter a photographer a musicologist and an architect This widened scope offers important philosophical benefits testing and providing evidence for the empirical applicability of Merleau Ponty s aesthetic writings The central argument is that for Merleau Ponty the account of perception is also an account of art and vice versa In the philosopher s writings art and perception thus intertwine necessarily rather than contingently such that they can only be distinguished by abstraction As a result his account of perception and his account of art are organic interdependent and dynamic The contributors examine various aspects of this intertwining across different artistic media each ingeniously revealing an original perspective on this intertwining

Eternity Is Now in Session John Ortberg, 2018-09-04 Something in us is waiting for what we don t know Something different Something better For Christians perhaps the deepest expression of what we re waiting for is found in the phrase eternal life But what is eternal life Why do we want it And how do we know if we have it In Eternity Is Now in Session bestselling author John Ortberg dispels the myth that eternal life is something way out in outer space that we can only hope to experience after we die and that being saved is merely about meeting the minimal entrance requirements for getting into heaven Instead John unpacks the reality that the moment we trust Christ we are initiated into eternal living with God as a here and now reality one that will continue beyond our life on this earth Jesus defined eternal life just once in John 17 3 that they may know you the only true God and Jesus Christ whom you have sent The kind of knowing God that is eternal life is an interactive relationship not just an affirmation of certain facts about God Once we begin the transformative journey of truly knowing God we can start to experience His presence favor and resurrection power right here on this earth in the details tasks and challenges of daily ordinary life And as we begin to know God this way we ll realize each moment of our lives is a vehicle to the eternity we ve been longing for all along

Shirley Jackson's American Gothic Darryl Hattenhauer, 2003-01-01 Best known for her short story *The Lottery* and her novel *The Haunting of Hill House* Shirley Jackson produced a body of work that is more varied and complex than critics have realized In fact as Darryl Hattenhauer argues here Jackson was one of the few writers to anticipate the transition from modernism to postmodernism and therefore ranks among the most significant writers of her time The first comprehensive study of all of Jackson s fiction *Shirley Jackson's American Gothic* offers readers the chance not only to rediscover her work but also to see how and why a major American writer was passed over for inclusion in the canon of American literature
