The Departure Animorphs 19 By Katherine Applegate:

The Departure (Animorphs #19) K. A. Applegate, 2017-06-27 Cassie s had it After the last mission she realizes she s getting tired of missions Tired of battles Tired of being an Animorph She decides that she just can t do it anymore So she quits But the war for her planet isn t so easy to quit It seems a human Controller named Karen followed Cassie after the last run in with the Yeerks and she knows Cassie has the ability to morph If she exposes Cassie it s all over No more Cassie No more Animorphs No more planet Earth *Animorphs #19 The Departure* K. A. Applegate, 1998 **The Publishers Weekly**, 1999 *The Bowker Annual* Dave Bogart, 1999 **Braille Book Review**, 1997 *The Capture (Animorphs #6)* K. A. Applegate, 2012-03-01 The wildly popular books by K A Applegate are back The Animorphs return in this update of the classic series It was bad when Jake found out his brother was one of them A Human Controller A slave But that was nothing compared to this When the Animorphs decide to visit the Yeerks new base it seems simple But then they get caught and Jake falls just for a moment into the Yeerk pool Now they re out and his friends can t see it To them he s just like normal But Jake is screaming for help His worst fear has finally come true He s become the enemy *The Stranger (Animorphs #7)* K. A. Applegate, 2012-06-01 The wildly popular books by K A Applegate are back The Animorphs return in this update of the classic series Rachel isn t the kind of girl who backs away from a fight When her dad asks her to move across the country with him it hurts but Rachel won t desert her friends in their fight to save the world But then the Animorphs are contacted by a very old very powerful alien being that knows about their struggle He s called the Ellimist and he presents them with a choice They can abandon the planet with their families and be taken to safety or they an stay to fight the Yeerks and lose **The Alien (Animorphs #8)** K. A. Applegate, 2012-09-01 The wildly popular books by K A Applegate are back The Animorphs return in this update of the classic series Ax is an Andalite an alien stranded on a strange planet he s sworn to defend even though it s not his own Since the Animorphs rescued him he s fought at their side and in that time they ve come to consider Ax a friend But deep inside Ax knows he isn t their friend He can t ever be Andalites must always hold themselves apart even from their allies As the Animorphs past actions start resulting in deaths of innocent people however Ax s loyalty is called into question Now he must decide whether to reveal the reason for his estrangement the shameful secret of his people *For Younger Readers; Braille and Talking Books*, 1998 **Forthcoming Books** Rose Arny, 1999 *Quill & Quire*, 1998 **Norsk bokfortegnelse**, 2000 **El-Hi Textbooks & Serials in Print, 2005**, 2005 **The Threat (Animorphs #21)** K. A. Applegate, 2017-07-25 There is a new Animorph And he s arrived just in time because the Yeerks are preparing their biggest takeover ever Their ultimate target the world s most powerful leaders all gathered together in one place What better way to get into the minds of humans Literally At first David joins the fight with a vengeance But there s definitely something wrong Because he s starting to break the rules taking risks that could get them all captured Or killed The Animorphs don t know what to do There was a time when the Yeerks were their greatest enemy but that s about to change **The Hidden**

(Animorphs #39) K. A. Applegate, 2017-08-29 The Yeerks have discovered and repaired a damaged Helmacron ship They know of its morph seeking capabilities and they plan to use the ship to capture the Andalite bandits And to find Elfangor s blue cube The one that gave the kids the ability to morph Cassie and the other Animorphs are in a pretty bad situation They can t leave the cube in one place they can t morph without being discovered and they have to keep moving It looks like this may be a battle the Visser can t lose

The Deception (Animorphs #46) K. A. Applegate, 2017-09-26 The Animorphs have managed to contact the Andalite home world but the battle is far from over Visser Two has arrived on Earth and he s not happy about the state of things He decides the best way to take over Earth is to have the humans destroy each other exhausting their weapons in the process He s going to start World War III Ax and his friends know that Visser Two means business There are only two ways to keep him from destroying everything they know Find a way to stop the war or find a way to stop him forever

The Diversion (Animorphs #49) K. A. Applegate, 2017-09-26 The Yeerks are finally starting to realize that the Andalite bandits are probably not aliens at all That maybe they ve been dealing with humans all along And no one especially the newly appointed Visser One is happy about this revelation When Tobias and the other Animorphs realize that the Yeerks are about to find them it s by accident But that doesn t make the discovery any less serious Because in a war one side wins and one side loses

The Sacrifice (Animorphs #52) K. A. Applegate, 2017-09-26 The war between the Yeerks and the Animorphs is still raging There are no more secrets but there are plenty of lies The kids are fighting harder than they ever thought they could And they re about to make the biggest decision they ve ever had to face A decision that may eventually break them all Ax and the Animorphs know that destroying the Yeerk pool would give them a huge chance to take back Earth And they ve figured out a way to do it But there s no way to destroy the pool without also destroying the innocent humans caught by the Yeerks But there s no more time to think about it There s only yes or no

The Ellimist Chronicles (Animorphs) K. A. Applegate, 2018-03-27 He is called the Ellimist A being with the ability to alter space and time A being with a power that will never be fully understood He is the reason Elfangor came to Earth He is the reason the Earth now has a fighting chance And though his actions never seem quite right or wrong you can be certain they are never ever what anyone expects This is the beginning and the middle of the story A story that needs to be told in order to understand what might happen to the future The future of the Animorphs The future of humanity The future of Earth He is called the Ellimist And this is his story

The Revelation (Animorphs #45) K. A. Applegate, 2017-09-26 Things were already really weird Fighting aliens Battling to have Earth And still trying to be normal Marco and the other Animorphs are almost used to it But things are changing The Yeerk invasion of Earth started out passively secretly But now everything seems to be stepped up Even Marco s father is talking about some top secret project at his job Something about discovering Zero space Marco doesn t even know whether his father is a Controller But he does know he s not going to let the Yeerks win this one They ve already got his mother And Marco will do anything it takes to save his father Anything
