A National Joke Andy Medhurst,2007-09-18 Comedy is crucial to how the English see themselves This book considers that proposition through a series of case studies of popular English comedies and comedians in the twentieth century ranging from the Carry On films to the work of Mike Leigh

and contemporary sitcoms such as *The Royle Family* and from George Formby to Alan Bennett and Roy Chubby Brown. Relating comic traditions to questions of class, gender, sexuality and geography, *A National Joke* looks at how comedy is a cultural thermometer taking the temperature of its times. It asks why vulgarity has always delighted English audiences, why camp is such a strong thread in English humour, why class influences what we laugh at and why comedy has been so neglected in most theoretical writing about cultural identity. Part history and part polemic, it argues that the English urgently need to reflect on who they are, who they have been and who they might become, and insists that comedy offers a particularly illuminating location for undertaking those reflections.

The Assassin's Cloak Irene Taylor, Alan F. Taylor, 2003. With 170 contributors, a scope that is peerless internationally and crosses centuries, *The Assassin's Cloak* pays tribute to a fascinating genre that is at once the most intimate and public of all literary forms. There are several diary excerpts for every day of the year, beginning with Samuel Pepys and along the way we meet cadts and charmers, sailors and psychopaths, rock stars and prima ballerinas, gossips, drunks, snobs, lechers and lovers. There is humour and tragedy, history and the humdrum, often recorded on the same day or in the same entry.

The Official Carry On Facts, Figures & Statistics Kevin

Snelgrove, 2011-09-28. Little did anyone know back in 1958 when the first Carry On film, *Carry on Sergeant*, was produced by Peter Rogers and directed by Gerald Thomas that 50 years and 31 films later, Carry On would have become such a well-loved British comedy institution and one that continues to have people rolling in the aisles. And what better way to celebrate Carry On's 50th anniversary in 2008 than to dazzle Carry On fans with this incredibly well-researched treasure trove of information, including technical data about each film, interesting facts about every member of the Carry On team and every conceivable statistic that you could ever imagine. With forewords by Carry On cameraman Alan Hume and actor Jack Douglas and peppered with photographs and actors' anecdotes and memories, this book is an absolute must for every Carry On aficionado.

THE "I" OF THE STORM David Lester, 2014-01-01. We cannot explain why people kill themselves. There are no necessary or sufficient causes for suicide, so rather than explaining suicide, looking for causes, perhaps we can understand suicide at least in one individual: a phenomenological approach. This book begins by examining the diaries from eight individuals who killed themselves. Using qualitative analyses, supplemented in some cases by quantitative analyses, Lester seeks to uncover the unique thoughts and feelings that led these individuals to take their own lives. Lester has also studied suicide notes, the poems of those who died by suicide, both famous poets and unpublished poets, the letters written by suicides, blogs and Twitter feeds, and one tape recording of a young man who killed himself just an hour or so after he recorded the tape. This book will give you insights into the I of the storm, the suicidal mind. David Lester has PhDs from Cambridge University, UK, and Brandeis University, USA. He is a former President of the International Association for Suicide Prevention and a leading scholar on suicide, murder, the fear of death and other topics, and thanatology.

When the Carry On Stopped Dave Ainsworth, 2025-03-30. Uncover the turbulent transition of the Carry On series and its stars during the 1960s.

When the Carry On Stopped looks at how the Carry On film series made its painful transition from one film company Anglo Amalgamated to another the Rank Organisation In examining this little known but fascinating story the growth of Anglo Amalgamated is highlighted through the success of its owners partners Stuart Levy and Nat Cohen Levy s sudden death in 1966 encouraged Cohen to ditch the Carry Ons in favour of more prestigious feature films Without a film distributor the series producer Peter Rogers was forced to search for another eventually finding the series a new home at Rank However Rank was unwilling to endorse the work of a rival and so dropped the Carry On title The Carry On series looked doomed When the Carry On Stopped also sheds new light on the careers of the Carry On stars at this critical time We learn of Barbara Windsor s involvement in the stage disaster Twang of Jim Dale s stage success Sid James first heart attack and Charles Hawtrey losing his mother The book calls out the fat shaming of Joan Sims as one of the many injustices shown to her by the producer This is essential reading for Carry On fans and those interested in the machinations of the British entertainment industry in the 1960 s
