human half demon monsters My personality was buried in my subconscious and replaced by that of Ull a hunter and killer For a time I too served the Nephilim As the first and only human born on Antarctica they believed that I could contain the spirit of their fallen king Nephil and lead them to conquer humanity But I was stronger than they knew and escaped deep into the underworld where I have been hiding for the past two years I live in a cavern which is somehow lush with green vegetation eking out a living and cowering from the confrontation that I know awaits me But the nightmare has found me I can smell them The hunters They have discovered my hideout The pursuit of Solomon Ull Vincent the last hunter has begun And if they catch me this is where my story will end **The Last Hunter - Descent (Book 1 of the Antarktos Saga)**
