Tending the Heart of Virtue Vigen Guroian,2023 From Pinocchio to The Chronicles of Narnia to Charlotte s Web classic children s tales have shaped generations of young people In recent years homeschoolers and new classical schools have put these masterpieces of children s literature at the center of their curricula And these stories continue to be embraced by parents students and educators alike In *Tending the Heart of Virtue* Vigen Guroian illuminates the power of classic tales and their impact on the moral imagination He demonstrates how these stories teach the virtues through vivid depictions of the struggle between good and evil while he also unveils components of the good the true and the beautiful in plot and character With clarity and elegance Guroian reads deeply into the classic stories He demonstrates how these stories challenge and enliven the moral imaginations of children And he shows the reader how to get inside of classic stories and communicate their lessons to the child For more than two decades *Tending the Heart of Virtue* has been embraced by parents guardians and teachers for whom the stories it discusses are not only beloved classics but repositories of moral wisdom This revised and expanded second edition includes three new chapters in which Guroian interprets such stories as Hans Christian Andersen s *The Ugly Duckling* the Grimms *Cinderella* and John Ruskin s *The King of the Golden River* The concluding bibliographical essay has also been expanded

The Dardenne Brothers' Cinematic Parables Joel Mayward,2022-09-30 *The Dardenne Brothers Cinematic Parables* examines the work of Belgian filmmakers Jean Pierre and Luc Dardenne who have been celebrated for their powerfully affecting social realist films Though the Dardenne brothers films rarely mention religion or God they have received wide recognition for their moral complexity and spiritual resonance This book brings the Dardennes filmography into consideration with theological aesthetics Christian ethics phenomenological film theory and continental philosophy The author explores the brothers nine major films beginning with *The Promise* 1996 and culminating in *Young Ahmed* 2019 through the hermeneutics of philosopher Paul Ricoeur By using Ricoeur s description of parable as a narrative metaphor which generates an existential limit experience Joel Mayward crafts an innovative Ricoeurian hermeneutic for making theological interpretations of cinema Drawing upon resources from three disciplinary spheres theology philosophy and film studies in a dynamic interweaving approach Mayward proposes that the Dardennes create postsecular cinematic parables which evoke theological and ethical responses in audiences

imaginations through the brothers distinctive filmmaking style what is termed transcendent realism The book ultimately demonstrates how the Dardenne brothers are truly doing not merely depicting theology and ethics through the cinematic form it presents film as theology what Mayward refers to as theocinematics This is valuable reading for scholars of theology philosophy and film studies as well as film critics and cinephiles interested in the cinema of the Dardenne brothers

Imagination Colin Manlove,2020-01-01 The great Victorian Christian author George MacDonald is the well spring of the modern fantasy genre In this book Colin Manlove offers explorations of MacDonald's eight shorter fairy tales and his longer stories At the Back of the North Wind The Princess and the Goblin The Wise Woman and The Princess and Curdie MacDonald saw the imagination as the source of fairy tales and of divine truth together For he believed that God lives in the depths of the human mind and sends up from thence wonderful gifts into the light of the understanding This makes MacDonald that very rare thing a writer of mystical fiction whose work can give us experience of the divine Throughout his children's fantasy stories MacDonald is describing the human and divine imagination In the shorter tales he shows how the imagination has different regions and depths each able to shift into the other With the longer stories we see the imagination in relation to other aspects of the self and to its position in the world Here the imagination is portrayed as often embattled in relation to empiricism egotism and greed Baptized Imagination

Kerry Dearborn,2016-04-15 The imagination has been called the principal organ for knowing and responding to disclosures of transcendent truth This book probes the theological sources of the imagination which make it a vital tool for knowing and responding to such disclosures Kerry Dearborn approaches areas

of theology and imagination through a focus on the nineteenth century theologian and writer George MacDonald MacDonald can be seen as an icon whose life and work open a window to the intersection of word flesh and image He communicated the gospel through narrative and image rich forms which honour truth and address the intellectual imaginative spiritual and emotional needs of his readers MacDonald was also able to speak prophetically in a number of areas of contemporary concern such as the nature of suffering aging and death environmental degradation moral imagination and gender issues Dearborn explores influences which shaped him along with the wisdom he has offered in the formation of significant Christian writers in both the nineteenth and twentieth centuries Authors such as C S Lewis G K Chesterton Dorothy Sayers J R R Tolkien W H Auden Frederick Buechner and others attribute to MacDonald key paradigm shifts and insights in their own lives A study of MacDonald does not offer a formulaic approach to theology and the imagination but the possibility of gleaning from his rich harvest relevant nourishment for our own day It also provides a context in which to assess potential weaknesses in imaginative approaches to theology
