The Writing Class By Jincy Willett:

The Writing Class Jincy Willett, 2025-10-16 Amy Gallup is gifted perhaps too gifted for her own good Published at only twenty two she peaked early and found critical but not commercial success Now her former life is gone along with her writing career and beloved husband A reclusive widow her sole companion a dour flatulent basset hound who barely tolerates her her daily mantra Kill Me Now she is a loner afraid to be alone Her only bright spot each week is the writing class that she teaches at the university extension This semester s class is full of the usual suspects the doctor who wants to be the next Robin Cook the overly enthusiastic repeat student the slacker the unassuming student with the hidden talent the prankster the know it all Amy s seen them all before But something is very different about this class and the clues begin with a scary phone call in the middle of the night and obscene threats instead of peer evaluations on student writing assignments Amy soon realizes that one of her students is a very sick puppy and when a member of the class is murdered everyone becomes a suspect As she dissects each student s writing for clues Amy must enlist the help of everyone in her class including the murderer to find the killer among them Suspenseful extremely witty brilliantly written unexpectedly hilarious and a joy from start to finish *The Writing Class* is a one of a kind novel that rivals Jincy Willett s previous masterpieces

The Novelist in the Novel Elizabeth King, 2023-11-14 Why do writers so often write about writers This book offers the first comprehensive account of the phenomenon of the fictional novelist as a character in literature arguing that our notions of literary genius and what it means to be an author are implicitly shaped by and explicitly challenged in novels about novelists a genre that has been critically underexamined Employing both close and distant reading techniques to analyse a large corpus of author stories *The Novelist in the Novel* explores the forms and functions of author stories and the characters within them offering a new theory that frames these works as textual sites at which questions of literary value and the cultural conceptions around authorship are constantly being negotiated and revised in a form of covert criticism aimed directly at readers While nineteenth century novels about novelists reveal a pervasive frustration with the market a starving artist vs commercial sell out dichotomy modernist examples of the genre focus on the development of the individual author as artist entirely aloof from the marketplace and from the literary sphere at large Yet each of these dynamics is gendered with women denigrated to commercial producers and men elevated to artists and while the canon has largely supported the male view of authorship a closer look at the work of women writers from this period reveals concerted attempts to counteract it Silly Lady Novelists are pitted against serious male modernists in a battle to define what it means to be a literary genius

Reading the Cozy Mystery Phyllis M. Betz, 2021-03-09 With their intimate settings subdued action and likeable characters cozy mysteries are rarely seen as anything more than light entertainment The cozy a subgenre of crime fiction has been historically misunderstood and often overlooked as the subject of serious study This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints The authors engage

with the standard classification of a cozy the characters who appear in its pages the environment where the crime occurs and how these elements reveal the cozy story's complexity in surprising ways Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer that Columbo fits the mold of the cozy detective and that the stories' portrayals of settings like the quaint English village reveal a more complicated society than meets the eye

Denting the Bosch Teresa Link, 2025-10-16 A gorgeously written sharp debut novel about three middle-aged couples who find themselves unmoored in the prime of their lives Three couples in San Diego best friends empty nesters living the California dream have reached a tipping point With the blurry years of child rearing and corporate ladder climbing over each pair is finally free to enjoy the golden years together Until two of the husbands suddenly announce they want a divorce As marriages and friendships unravel and the prosperity of the last few decades spins toward financial meltdown Adele Maggie and Sylvia find their carefully established footholds and expectations crumbling Denting the Bosch marks the debut of a talented new voice and offers an alternatively hilarious and devastating assessment of modern life marriage middle age friendship money sex and the American Dream

The Publishers Weekly, 2008 Amy Falls Down Jincy Willett, 2013-07-09 Amy Gallup is an aging novelist and writing instructor living in Escondido California with her dog Alphonse Since recent unsettling events she has made some progress While she still has writer's block she doesn't suffer from it She's still a hermit but she has allowed some of her class members into her life She is no longer numb angry and sardonic she is merely numb and bemused which is as close to happy as she plans to get Amy is calm So when on New Year's morning she shuffles out to her backyard garden to plant a Norfolk pine she is wholly unprepared for what happens next Amy

falls down A simple accident as a result of which something happens and then something else and then a number of different things all as unpredictable as an eight ball break At first the changes are small but as these small events carom off one another Amy s life changes in ways that range from ridiculous to frightening to profound This most reluctant of adventurers is dragged and propelled by train plane and automobile through an outlandish series of antic media events on her way to becoming to her horror a kind of celebrity And along the way as the numbness begins to wear off she comes up against something she has avoided all her life her future that sleeping monster not to be poked Jincy Willett s Amy Falls Down explores through the experience of one character the role that accident plays in all our lives You turn a corner and beasts break into arias gunfire erupts waking a hundred families starting a hundred different conversations You crack your head open and three thousand miles away a stranger with Asperger s jump starts your career We are all like Amy We are all wholly unprepared for what happens next Also there s a basset hound An NPR Best Book of 2013 **Amy Among the Serial**

Killers Jincy Willett,2022-08-23 Jincy Willett s beloved characters return in Amy Among the Serial Killers a wickedly smart and funny take on the thriller genre by one of our most acclaimed literary humorists Carla Karolak is doing just fine Having escaped the clutches of her controlling mother and founded a successful writing retreat in which participants are confined to windowless cells until they hit their daily word count she lives a comfortable if solitary existence If only her therapist Toonie would stop going on about Carla s nonexistent love life and start addressing her writer s block she might be able to make some progress But then Carla finds Toonie murdered and suddenly her unfinished memoir is the least of her concerns Without quite knowing why she dials an old phone number Amy Gallup retired after decades as a writing instructor is surprised to hear from her former student Carla out of the blue three years since they last spoke She s even more shocked when she finds out the reason for Carla s call Suddenly she finds herself swept up in a murder investigation that soon brings her old writing group back together But they ll need all the help they can get as one murder leads to another and suspicions of a serial killer mount across San Diego Full of Jincy Willett s trademark dark humor an unforgettable cast of characters and two of the most endearingly imperfect protagonists who have ever attempted to solve a murder Amy Among the Serial Killers shows us what can be gained when we begin to break down our own walls and let others inside as long as they aren t murderers

The Writing Class Jincy Willett,2008 Living for the writing class she teaches at the university extension reclusive widow Amy Gallup senses something different about her latest group of students when she begins to receive scary phone calls and obscene threats that culminate in a murder **Jenny & the Jaws of Life** Jincy Willett,2008-05-27 In these wonderfully funny and poignant stories Willett s eccentric complex characters think and do the unconventional Soft euphonic women gradually grow old weak unhappy men confront love and their own mortality and abominable children desperately try to grow up with grace With a unique voice and dry humor Willett gives us a new insight into human existence showing us those specific moments in relationships when life suddenly becomes visible Critically acclaimed when it was first published in

1987 Jenny and the Jaws of Life is being brought back due to popular demand It s a timeless collection filled with a certain freshness and wit that ring just as loudly today **The New York Times Index** ,2009 **Winner of the National Book Award** Jincy Willett,2010-04-01 Winner of the National Book Award the long awaited novel from the author of the acclaimed collection Jenny and the Jaws of Life is an unusual and wonderful novel that is somehow able to be at once bleak and hilarious light hearted and profound It s the story of two sisters Abigail Mather is a woman of enormous appetites sexual and otherwise Her fraternal twin Dorcas couldn t be more different she gave up on sex without once trying it and she lives a controlled dignified life of the mind Though Abigail exasperates Dorcas the two love each other in fact they complete each other They are an odd pair set down in an odd Rhode Island town where everyone has a story to tell and writers both published and unpublished carom off each other like billiard balls What is it that makes the two women targets for the new man in town the charming schlockmeister Conrad Lowe tall whippet thin and predatory In Abigail and Dorcas he sees a new and tantalizing challenge Not the mere conquest of Abigail with her easy reputation but a longer and more sinister game A game that will lead to betrayal shame and ultimately murder In her darkly comic and unsettling first novel Jincy Willett proves that she is a true find that rare writer who can explore the shadowy side of human nature with the lightest of touches
