Light, Freedom and Song David Pierce, 2005-01-01 In this absorbing analysis of modern Irish writing an acknowledged expert considers the hybrid character of modern Irish writing to show how language culture and history have been affected by the colonial encounter between Ireland and Britain Examining the great themes of loss and struggle David Pierce traces the impact on Irish writing of the Great Famine and cultural nationalism and considers the way the work of Ireland s two leading writers W B Yeats and James Joyce complicate and elucidate our view of the harp and the crown The

book draws a contrast between the West of Ireland in the 1930s when the new Irish State enjoyed its first full independent decade and the North of Ireland in the 1980s when the spectre of British imperialism threatened the stability of Ireland Pierce then surveys contemporary Irish writing and reflects on the legacy of the colonial encounter and on the passage to a postmodern or postnationalist Ireland in the work of such crucial living writers as John Banville Derek Mahon and John McGahern

The Crossover Novel Rachel Falconer, 2008-10-21 Highly recommended by Choice While crossover books such as Rowling's Harry Potter series have enjoyed enormous sales and media attention critical analysis of crossover fiction has not kept pace with the growing popularity of this new category of writing and reading Falconer remedies this lack with close readings of six major British works of crossover fiction and a wide ranging analysis of the social and cultural implications of the global crossover phenomenon A uniquely in depth study of the crossover novel Falconer engages with a ground breaking range of sources from primary texts to child and adult reader responses to cultural and critical theory
