**Failure to Flourish** Clare Huntington,2014 This title argues that the legal regulation of families stands fundamentally at odds with the needs of families Strong stable positive relationships are essential for both individuals and society to flourish but the law makes it harder for parents to provide children with these kinds of relationships Zoning laws can create long commutes and impersonal neighbourhoods Criminal laws can take parents away from home The book contends that we must re orient the legal system to help families avoid crises and when conflicts arise intervene in a manner that heals relationships
