Wayward Son By Tom Pollack:

Wayward Son Tom Pollack, 2011 **Film Score Monthly**, 1999 Women in Prison Barbara H. Zaitzow, Jim Thomas, 2003 It is old news that the conditions and policies of women's prisons are different from those for incarcerated men. Less evident however is how gender differences shape those policies and how gender identity and roles shape women's adaptation and resistance to prison culture and control. The papers in this collection explore how the gender-based attitudes that women bring to prison frame how they respond to the prison environment and how gender stereotypes continue to affect the treatment and opportunities of incarcerated women today. It looks particularly at how the personal and social problems imported into the prison setting become part of the intricate web of prison culture and how extensively women's prison experience reflects the control and domination they experienced in the outside world. *The BFI Companion to Crime* Phil Hardy, 1997-01-01 Robbers, gangsters, murderers, and criminals of every description have long been a staple of popular entertainment. Movies are no exception, and film buffs and scholars alike now have a complete guide to the vast array of films that make up the fascinating world of crime cinema. The BFI Companion to Crime offers detailed information on the sub-genres and motifs of movies dealing with criminals and their behavior: prison dramas, heist stories, kidnappings, the exploits of serial killers, juvenile delinquents, and hired guns. Phil Hardy also includes articles on the historical and social background of crime movies. The Mafia, the Japanese yakuza, the FBI, and the underworld of union rackets, prostitution, and drugs are some of the topics covered. Fictional characters such as Sherlock Holmes, Inspector Maigret, Philip Marlow, and Pretty Boy Floyd appear in these pages along with the literary sources of many crime films. The works of Graham Greene, Dashiell Hammett, Mickey Spillane, and Eric Ambler are among those featured. Abundantly illustrated with more than 500 photographs, this is the book for film enthusiasts and anyone interested in the crime genre. **CMJ New Music Report**, 2002-08-05 CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales.
