**Playing It Kale** Keary Taylor, 2015-01-20 It was one of the scariest things I'd ever done walking out on stage opening my mouth and singing for everyone at that wedding to hear Because I'm awkward I always mess things up I forget my lyrics and guaranteed I'll do something weird I'm a nerd a lab assistant Not a pop star But that night I met someone who changed my life forever Kale McCain World famous model ladies man not a flaw to him And the most unexpected thing happened sparks flew

Everything about Kale is smooth his attitude his voice his body He is my polar opposite But somehow him me we work Then there was the video he made Us together me singing him grinning like I was the sun moon and stars And my simple life exploded Suddenly the world has a new celebrity couple to obsess about We've barely started a relationship Now there's all this pressure When our once seemingly perfect life gets shaken will we come out stronger or will what everyone has been saying about us that this is too quick too serious and that we're too young for this to be real come to truth I'm Whitney Ford and from the second Kale McCain walked into my life I knew it would never be the same **Nero Awakening** Keary Taylor, 2019-01-15 The Bahiri are real and Nova has found them hidden away on an invisible planet With their help she's finally ready to accept what she is a Nero She has to train to learn how to use her abilities and she's got years worth of catching up to do Desperate she'll push herself possibly beyond her limits But learning how to use her abilities not only awakens her capability to control Neron but her power to see the future Going to sleep is a nightmare and heaven all in the same breath Her future hasn't changed it's still with Valen Nero standing and ruling by his side Every morning she wakes gutted and alone Her visions of the love between them aren't real At least not yet Nova is losing her mind Her heart is fractured and conflicted into knots How is she supposed to let him go to walk away from the galaxy's second cruelest man when she knows what kind of love they could have The time for a choice has come stay on Salypso where it's safe where Cyrillius will never find her Or take what she has learned as a Nero and try to change her future and that of the galaxy

The Neron Rising Saga Keary Taylor, 2019-02-11 If you're a fan of Star Wars the Red Rising trilogy and basically anything space related this could be your kind of story However the relationship and romance aspect is key to the story line So don't go into this book thinking it's going to be all destroyer ships and battle scenes because it's not Nova is a firecracker with such compassion I was drawn into Nova's world the whole thing is so vividly painted I felt like I was living in it I adore a good bit of sci-fi and hot damn Keary Taylor certainly didn't disappoint This is a brilliant story and it's a great example of Sci-Fi Romance at its finest In the Eon galaxy Dominion controls any planet with solid Neron deposits and Nova just found out they're coming for hers Korpillion isn't supposed to have any Neron the galaxy's purest form of energy but Nova Ainsley has been working with the owner of a secret mine for months building highly illegal weapons that can wield Neron She wants off Korpillion and selling these weapons will buy her and her father a ticket to another planet in the galaxy Neron is incredible on its own but there are those who can wield it to their will granting them the ability to read minds see the future and destroy worlds the Nero But this is a galaxy where they are ceasing to exist and Dominion owns the last one in the known universe using him to take over and destroy billions of lives An encounter with the last Nero shows Nova her future it's with him She will stand by his side one day her fingers laced through his love and adoration in both their eyes a dark queen to his evil pawn king Fate or destiny Nova will do whatever it takes to change their future and that of the galaxy The Neron Rising Saga is a series of episodes This set contains episodes 1 3 Neron Rising Neron Skies and Nero Awakening Garden of

friend of my dead fianc Cal died to save Lake and now Lake claims that he carries a debt to me that he can never repay Now we work together spend endless days side by side and I can't deny there's something between us I'm Riley James and there are depths to Lake depths to myself that I don't think I'll ever fully understand PLAYING IT KALE That night I met someone who changed my life forever Kale McCain World famous model ladies man not a flaw to him And the most unexpected thing happened sparks flew Everything about Kale is smooth his attitude his voice his body He is my polar opposite But somehow him me we work Then there was the video he made Us together me singing him grinning like I was the sun moon and stars And my simple life exploded I'm Whitney Ford and from the second Kale McCain walked into my life I knew it would never be the same

*Moments of Julian* Keary Taylor, 2014-05-06 It was just a work party filled with kissing the well dressed rear ends of clients and fake smiles Until my boss accused me of something I didn't do Until I got pissed and then there was this guy who was hot and flirting with me and then there were his hands and the backseat of my car and a night of everything but you know what I never expected to see him again But suddenly Julian Dohring is everywhere And I can't get over the endless tattoos that cover his arms how he's apparently a recovering video game addict and dresses like he's ready to walk down the red carpet at any moment Ten years ago I made a pledge to stay away from alcohol and sex and to never get too personal with anyone It's gotten me this far I'm twenty seven I have a career I've worked my heart and soul into and more money than I could ever blow on shoes and the finer things in life My attitude and pride have always been enough to keep any man from getting too interested Until Julian who claims I can't dance and has the nerve to call me a peach I'm Sage McCain and needless to say Julian has my attention

**Earning Her Iron Heart** Annie K., I've worked my tail off to get everything I could ever want At twenty seven I have a career I love more money than I could ever blow on shoes and the finer things in life and a beautiful view over the water My pride and attitude have always been enough to keep any man from getting too interested Until Julian He was crashing my work party but his designer suit and custom shoes suggested he wasn't just looking for a free meal He's being oddly aloof but for the first time in a long time a man has captured my interest It might have something to do with his tattoos or the fact that he stands up to me telling me I can't dance He even has the nerve to call me a peach Something tells me I might have met my match But it's been years since I've let anyone get too close I've carefully built this wall around myself for a reason I've been hurt before But what if it's worth the risk Do I let Julian earn this iron heart **Earning Her Iron Heart** is a sweet and sassy romance with a happy ending perfect for readers who want all the swooning without the explicit content

**Keeping Mr. Ever After** Annie K., Getting dumped via text on my first day as a high school teacher wasn't the ideal way to start my morning Neither was getting hit on by one of my students It was all a ridiculous wreck until the beautifully single Mr Drake McCain found me hiding in the dark in my classroom Sixty seconds later he had me laughing and I kind of couldn't stop staring at his lips Drake isn't complicated He's sweet and kind and insanely adorable The chemistry between us It's there in spades One moment we're making out in a locked janitor's closet

and the next I can see myself eating pancakes with him every Sunday morning for the rest of my life I believe in fairy tales and happily ever afters and maybe the search for Prince Charming is over Cue the reality check in the form of one bad decision made six weeks ago Keeping Mr Ever After is a sweet and sassy romance with a happy ending perfect for readers who want all the swooning without the explicit content This book was previously published as Ever After Drake under the name Keary Taylor     **Garden of Snakes** Keary Taylor,2017-03-28     *Neron Skies* Keary Taylor,2018-12-18 Dominion has Nova s face and Reena s name Cyrillius will use and kill them if they re caught But being on the run in space isn t so bad Nova s always wanted a different life and she s got it now It started with a rumor that the Bahiri still exist peaceful worshipers of the Nero and Neron After what happened on Korpillion Valen told Nova to find them and to stay away from him So that s where the wanted crew aboard The Corsair is headed across the entire galaxy to the G sector Nova wants answers about what she did and how it s possible She s in denial About what she might be About where her heart lies She knows Valen Nero is a bad man so why is he the only one who fills the hollowness in her chest Why does she ask him to keep his promise I will come for you Nova And when he does she ll learn the truth about him and what happened to shape him into the man he is today     Crown of Bones Keary Taylor,2018-09-18 The time for blood has returned Logan s biological father has been building an army to rise against the Crown to challenge Cyrus and Sevan for control over the vampires and their voices will be heard every one of them is a rightful Royal He is not the only one who is tired of hiding in the shadows Other family members lost their lives trying to bring all vampires into the spotlight to show the world what they are capable of With this many descendants with this much bad blood this will be a war fought with enemies new and old This is the same war the King and Queen fought over a thousand years ago It will be a battle to the death to keep the vampires secret But time has always been Sevan s greatest enemy and now it is running out in every way The Crown the safety of the humans and the world Logan s time with Cyrus It all comes to an end in the finale of the Blood Descendants Universe
