Life, Compendium, and Concordance ...: Venus and Adonis; Rape of Lucrece; Sonnets; A lover's complaint; Passionate pilgrim; Compendium of plays; Concordance William Shakespeare, 1891 **Call Forth the Sorrow** Robert Clifton Storey Jr, 2021-03-07 The relic's guidance sorrow's key. On her return trip from the northern lands, Princess Angelterra stumbles upon a mysterious and revered holy relic which is safeguarded by a kindly old monk. This relic is said to lead one to those suffering from sorrow to offer them comfort, and this sacred treasure resonates with her soul and her magic. While on a brief respite at her city of birth within the pages of her mother's newly found diary, she uncovers a new and totally unforeseen adventure. One to discover the true significance of the relic, Angelterra reluctantly comes to the realization that she must set aside her own private quest and leave her beleaguered home again to fulfill her mother's old obligation regarding this ancient artifact. Angelterra, her knight protectorate Jeela, and a youthful wizard companion set out on what should have been a simple reconnaissance mission, but it quickly turns perilous when they find themselves in the midst of a bustling enemy's war camp. A cruel tracking sorcerer, one of High Sorcerer Shutharja's minions, quickly gives chase, riding upon a hideous fire-breathing beast spawned in the depths of the hellpits. During their harrowing escape, the princess and her small company are flung far off course by the enchantment of two dragon spirits. They suddenly find themselves transported to a lush but unfamiliar tropical island paradise, a place that will play a greater role in her new adventure than Angelterra first realizes. As they navigate each of the main islands of this exotic archipelago, guided by the relic, the trio is invited to attend a vast war celebration. At its high point, the festivities are abruptly interrupted and thrown into chaos by the sudden appearance of the tracking sorcerer and his unholy beast, both intent on capturing Angelterra and her companions. Although the ultimate destination in this South Sea-like venture remains unclear to her, Angelterra forges ahead, trusting her heart that the relic's gentle guidance will lead her and her friends towards a vital discovery that may prove key in her struggle against Shutharja's insatiable lust for conquest. Join Angelterra and her companions on a thrilling odyssey filled with magic, danger, discovery, and sorrow. Dare to follow the mysterious sacred relic of comfort, and where it leads Angelterra in her quest to liberate the one thing that could save her homeland. **A Forgotten Smile in Stone** Robert Clifton Storey Jr, 2023-06-20 Through the enchantment of a magical medallion, Princess Angelterra is offered a pivotal choice: to bid farewell to her cherished home Palzin for the safer option of visiting her people in exile, or to head for that eerie island, the Isle of Snakes, thus commencing the most arduous phase of her personal quest. However, fate intervenes, making the decision for her when she and her

companions are attacked by a colossal three headed winged monster that nearly claims her life Driven by a sense of duty she gives chase to this hideous beast into a neighboring kingdom intent on safeguarding the refugees of her homeland from this hellish creature Soon she finds herself up against an unforeseen conundrum Amidst this brand new invisible and increasingly malevolent menace Angelterra becomes locked in a fierce race against time which has now become her greatest foe She must journey to find a lifesaving substance that has the power to protect her people from this new insidious threat A threat capable of obliterating everyone in a matter of days The stakes soar high as the fate of multiple kingdoms hinges upon her ability to overcome this new challenge Meanwhile driven by an insatiable thirst for absolute conquest the formidable sorcerer Shutharja gathers his dark forces at the very doorstep of the allied armies plotting their ultimate destruction Will she prevail in her venture against this new invisible danger to save her people or will the dark army take this opportunity to triumph over her and her allies
