**On Holy Ground** Keith R. Anderson, 2025-06-24 There is a universal human need to understand our identity and find belonging and sacred purpose in the most daily moments of our lives When we know our identity as the beloved of God our lives take on practices that are urgently needed in our divisive culture today starting with compassion hospitality and discourse and joining a movement to boldly proclaim Abba's love Sacred purpose involves everything we do on holy ground which is where God walks with us before us and alongside us in time and place As we enter the fray we find ways to live as people of justice grace and conviction seeking the kingdom of God as our priority as we address those issues that are so charged and divisive today race inclusion exclusion individualism and trauma Within the image of an ecosystem we understand that Scripture the living word points us to Jesus the incarnate word who calls us to sacred purpose a living relationship of following Jesus at our own altars in the world for all of our lives Growing Old Gracefully Robert M. of defense after Prime Minister Benjamin Netanyahu refused to approve a significant military move in the Gaza Strip Since then Israel has been caught in a political whirlwind In Search of Identity seeks to find out the nature of the crisis in Israel by analyzing the main rifts in Israeli society It describes and analyzes the main splits within Israel s heterogenous society arguing these divisions have social ideological and political consequences the most important being a lack of common national interests and vision The goal herein is to present a society and country that has long been searching for identity not only geographically but also in terms of moral values ethics and integrity *Church Camp* Cara Meredith,2025-04-29

**Reading 1 Peter Missiologically** Abeneazer G. Urga, Jessica A. Udall, Edward L. Smither, 2024-06-24 Gaining Fresh Insights for Missions In today s world the church on mission faces the immense challenge of engaging an array of cultures and ideologies To address these issues theologians and missiologists usually focus on Jesus and Paul However the Apostle Peter s words steeped in wisdom are another vital link between foundational Christian truths and the complexities of our global context For this reason Reading 1 Peter Missiologically is a significant contribution to both biblical scholarship and mission practice

Examining 1 Peter through a missiological lens unveils the apostle's strategic approach to cross cultural evangelism amidst persecution and cultural diversity. It is not just an academic exercise; the authors provide practical insights for missionaries, church leaders, and theologians, helping them to contextualize the gospel in a culturally sensitive manner. This book bridges the gap between theological study and real world application. Reading 1 Peter Missiologically is an essential resource for anyone seeking to participate in Christian outreach more effectively. It challenges readers to rethink modern missionary strategies. If you want to deepen your understanding of the Bible's teaching on global mission and apply it across the world, this book is a must read.

**Play. Tell. Be.** Sarah Agnew, 2025-08-26. Since childhood days playing the recorder in worship, Sarah Agnew has been invited to lead her church communities. What do others see and feel that they choose to follow her? Trust in a playful process in the magic of failing. Trust in and deep listening to Sacred and human stories. Trust in Sacred Presence and the profound gift of turning up to be with each other. While outside voices celebrated leadership as being charisma driven in a CEO style, Agnew knew herself to be an artist, creative, alternative. Personally, as chronic pain and illness grow ever dominant, Agnew knows herself to need a slower, gentler pace. Playfully, with creativity, this book tells a story of becoming of developing a Rule of Sacred Presence, telling one person's story in order to encourage yours.

**Being an Intergenerational Church** Suzi Farrant, Darren Philip, 2023-08-31. There is a growing realisation across mainstream churches that age segregated models of connecting with children, young people, and families are not working. Drawing on their extensive experience, Suzi Farrant and Darren Philip set out a vision for bringing the generations back together to become the intergenerational church we are designed to be. In conversation with the writings of Dietrich Bonhoeffer, they develop a theological rationale for intentional intergenerational relationships of mutuality lived out within the core activities of the church. Through an exploration of the Christian practices of humility, hospitality, participation, discipleship, joy, worship, discernment, and testimony, they call the church to re-discover its DNA as an all-age community of transformation.

**The Search for the Christian Doctrine of God** Richard Patrick Crosland Hanson, R. P. Hanson, 2005-01-01. First published in 1988, *The Search for the Christian Doctrine of God* is still considered by many scholars to be the finest work on the Arian Controversy. Examining scholarly works on the Controversy and many original texts, Professor Hanson provides a clear understanding of how the traditional and historic doctrine of God as the Holy Trinity reached its most mature and enduring form. The author is not primarily concerned to defend the orthodox position itself but rather to discover and examine the formation of that orthodoxy. The history of the events, the Councils, the interventions of the Emperor, the rivalries of sees, the behaviour of bishops, the varying fortunes of the different schools of thought, and their leaders is interwoven with the progression of thought and doctrine during the sixty years of the Controversy. Professor Hanson sees the problem of the reconciliation of two concepts which were both part of the very fabric of Christianity: monotheism and the worship of Jesus Christ as divine.
