*The Hidden Italy* Hermann W. Haller, 1986 *The Hidden Italy* is the first bilingual English edition of some of the best Italian dialect poetry written over the past two centuries The selection of more than four hundred poems in Piedmontese Venetian Milanese Romagnol Roman Neapolitan Sicilian and other dialects illustrates the impressive variety of Italy's literary and linguistic civilization Italian dialect literature originated in the Renaissance after Tuscan had won its preeminence as the officially sanctioned Italian literary language Despite the official victory of Tuscan however many writers consciously preferred and chose their own regional or local dialects as their medium of literary expression This departure from Tuscan became a particularly significant phenomenon in the 18th century and has continued up to the present day Much of the poetry is characterized by its realistic portrayals of the lower classes their suffering from social injustice and poverty the simplicity of their approach to life particularly to earthy sensual experience Many poets use or create a language that is mimetic expressive often unabashedly obscene and irreverent The dialect becomes the language of pain and anger of biting satire or political rebellion of humor and meditation It is also the language which reveals the spirit of Italy's diverse regional civilizations Haller's literal prose translations and commentaries are aimed at leading the reader back to the original text and its intrinsic flavor Thus the book has appeal and importance both for poetry lovers in general and for people with a special interest in Italian linguistic and literary culture

**Minority Language Planning and Micronationalism in Italy** Paolo Coluzzi, 2007 Issues of language planning and minority nationalism or micronationalism are becoming increasingly important in a globalized world Yet minority language planning in Italy and its relation to minority nationalism has so far attracted relatively limited academic attention despite the particularly interesting changes that have taken place since Law 482 on the protection of minority languages was passed in 1999 This book presents the situation in Italy in three case studies and compares them with similar cases in Spain Friulian compared with Galician Cimbrian compared with Aranes and Western Lombard compared with Asturian Analysis of these case studies is preceded by a clear and thorough introduction to terminology legislation in the two countries nationalism the discipline of language planning and bilingual education both in general terms and with specific reference to the Italian and Spanish cases This first part introduces and defines the crucial distinction between minority and regional languages between macro and micronationalism both in their conservative and progressive strands and between majority and minority language planning among other things *Filò Per Il Casanova Di Fellini* Andrea Zanzotto, 1997 The main body of this volume is a

unique film poem that grew out of Zanzotto's collaboration with Federico Fellini on the film Casanova The poem's beauty is enhanced by its presentation in the original Veneto dialect along with contemporary Italian and English With reference to Finnegans Wake and utilizing Fellini inspired myth the trilingual play of the poetry is rich in layers rich in meanings Including drawings by Fellini and illustrations by Murer this volume also contains poems dedicated to Montale Pasolini and Charlie Chaplin and the first English translation of Zanzotto's poem on the tragedy of Bosnia all together in an unusual and beautiful format The Other Italy Hermann W. dialect became a deliberate and conscious alternative to the official literary standard The book offers a panorama of the literary dialects of Italy over five centuries and across the country's regions shedding light on a profoundly plurilingual and polycentric civilization As a guide to reading and research it provides a compendium of literary sources in dialect arranged by region and accompanied by syntheses of regional traditions with selected textual illustrations A work of extraordinary importance The Other Italy was awarded the Modern Language Association of America's Aldo and Jean Scaglione Publication Award for a Manuscript in Italian Literary Studies It will serve scholars as an indispensable resource book for years to come

**Encyclopedia of Italian Literary Studies: A-J** Gaetana Marrone, 2007 Publisher description Italian Folk Joseph Sciorra, 2011 Sunday dinners basement kitchens and backyard gardens are everyday cultural entities long associated with Italian Americans yet the general perception of them remains superficial and stereotypical at best For many people these scenarios trigger ingrained assumptions about individuals beliefs politics aesthetics values and behaviors that leave little room for nuance and elaboration This collection of essays explores local knowledge and aesthetic practices often marked as folklore as sources for creativity and meaning in Italian American lives As the contributors demonstrate folklore provides contemporary scholars with occasions for observing and interpreting behaviors and objects as part of lived experiences Its study provides new ways of understanding how individuals and groups reproduce and contest identities and ideologies through expressive means Italian Folk offers an opportunity to reexamine and rethink what we know about Italian Americans The contributors to this unique book discuss historic and contemporary cultural expressions and religious practices from various parts of the United States and Canada to examine how they operate at local national and transnational levels The essays attest to people's ability and willingness to create and reproduce certain cultural modes that connect them to social entities such as the family the neighborhood and the amorphous and fleeting communities that emerge in large scale festivals and now on the Internet Italian Americans abandon reproduce and or revive various cultural elements in relationship to ever shifting political economic and social conditions The results are dynamic hybrid cultural forms such as *valtaro* accordion music Sicilian oral poetry a Columbus Day parade and witchcraft *stregheria* By taking a closer look and an ethnographic approach to expressive behavior we see that Italian American identity is far from being a linear path of assimilation from Italian immigrant to American of Italian descent but is instead fraught with conflict negotiation and creative solutions Together these essays illustrate how folklore is evoked in the continual process of identity revaluation and reformation
