## **Family travel to Beijing**

Beijing is a good place to travel for educating youth to learn about Chinese culture, which combines their latest achievements with ancient history. As it is known to all, Beijing is the capital of China, which has been acting as the Chinese political, economic, cultural, and educational center for a long time. In addition, Beijing provides a wide range of modern and ancient places for family trips including the Beijing Great Wall, the Forbidden City, the Beijing Olympic Stadium, and Hou Hai Bar Street. ("Beijing Travel Guide")

If you want to learn about the Chinese history, come to visit Chinese ancient buildings first. Chinese buildings not only have their unique characteristics, but were also built for different purposes from each other. As time passes by, the Great Wall has become the symbol of China, since it played an important role of defending invasions through Chinese history. In fact, the purpose of construction of the Great Wall was to defensive the invader from the north of China hundreds years ago. It is said that the Great Wall is the only building that can be seen from outer space. It's really a fantastic place to travel for the youth, which let tourists feel the ancient Chinese

**Getting to Excellent** Judith A. Langer, 2004

Getting to Excellent is for everyone: educators, parents, civic leaders who want students to think sharply, like learning, and have the high literacy skills that will open the path to success in school work and life. Using data from her groundbreaking study of diverse middle and high schools, Judith Langer shows us what makes the difference between highly effective schools and typical business-as-usual schools. This very accessible volume provides research-based guidance from schools in California, Florida, New York, and Texas, four states with diverse students and different testing demands. Features many examples of schools in action, identifying particular features that are present in effective schools but don't exist in others. Examines the extent to which teachers and administrators are affected by the larger environment, leading to professional growth or malaise. Includes models for providing rich and exciting learning environments that undergird success for all students. Includes self-inspection checklists to help administrators, teachers, and others place their own school on the continuum from typical to excellent and identify areas that need improvement.
