**College Planning for Busy Parents: A Guide to Affordable Colleges, Financial Aid, Scholarships, and Tax-Saving Strategies** Troy Onink,2012-08-06 ABOUT THE BOOK The most important thing to remember about my College Crossroads blog at Forbes com is that my posts are different than what is typically written elsewhere on college planning and that is because I bring a rather unique perspective to this specialized area For almost twenty years I have specialized in helping families determine their best strategy to pay for college and doing so requires a rare knowledge of how four key areas must come together to form a family s best strategy

College selection financial aid tax aid and personal resources College admissions and financial aid professionals know their respective areas well as do tax and financial advisors but virtually none have a solid grasp of the areas outside their own let alone how each area impacts the others for college planning purposes That s where I come in I have spent twenty years working with families and collaborating with these other professionals making it my business to make the connections gain the insights and innovate ways to help families determine their best strategy to pay for college and enjoy a Real Life Retirement My blog posts are less about what the latest studies or headlines say and more about what you really need to know I am about answers not more and more information If I think you need to know about a single topic in more detail I go to the experts on those topics and interview them in the context of the four key areas College selection financial aid tax aid and the use of your personal resources to pay your share of the cost with or without financial aid It keeps the focus on strategy and simplicity the best strategy to pay for the colleges that are the best fit Finally unless a student is independently wealthy getting a college degree is ultimately about getting a job The blog and this book cover that too

**ABOUT THE AUTHOR**

Troy Onink is a nationally known authority on college planning Troy has specialized in college planning for twenty years during which he pioneered this specialized field by integrating the areas of financial planning investing college admissions financial aid tax strategies and wealth management for the purpose of determining each family s best strategy to pay for college Troy views college as a tollbooth on the road to retirement and by having a strategy families choose the right exits pay the toll as wisely as possible and stay up to speed for retirement Troy is CEO of Stratagee com the firm he co founded to create innovative college planning software to help families identify where their children may be able to get in to college and get aid and determine the family s best strategy to pay for the colleges that are the best fit for their children

**EXCERPT FROM THE BOOK Why College Co Op Programs Totally Rock**

I made 46 000 working as a Co Op student for a great company while I was getting my college degree from a well known university and now the company that I did my Co Op with wants to hire me This isn t too good to be true The truth is that College Co Op programs totally rock and I could have gotten that quote from thousands of Co Op students nationwide There are several reasons why college Co Op programs rock Added Work Experience and Job Offers Think about this One student goes to college tries to find a job in the summer just to help with expenses and then graduates on time with good grades but no work experience and a boat load of student loans Another student goes to college for the first half of the year then goes to work at a company that is part of her university s Co Op program gains six months of work experience for which she is paid 11 000 18 000 then goes back to campus to learn in the classroom repeating this cycle until she graduates with both a degree and meaningful work experience Buy the book to read more

Many guides claim to offer an insider view of top undergraduate programs but no publisher understands insider information

like Vault and none of these guides provides the rich detail that Vault's new guide does. Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions. Each 2 to 3 page entry is composed almost entirely of insider comments from students and alumni. Through these narratives, Vault provides applicants with detailed balanced perspectives.

*What Every Parent Needs to Know About College Admissions* Christie Barnes, 2021-07-13. The Truth About Career Planning and the College Search Process: the go to guide for students to find the right path at the right time for the right tuition amount to lead to their best career outcome. Anna Costaras and Gail Liss, authors of The College Bound Organizer 1. New Release in Education Research Society's guiding truths about higher education are now incorrect. In *What Every Parent Needs to Know About College Admissions*, Christie Barnes helps parents and students alike cut through the noise and find the best school, which might not always be the most prestigious or expensive one. College planning re-examined. All economic levels are getting vastly incorrect information for college and career planning, leading to anxiety-ridden youth and crippling student debt. Less affluent students are being led to more expensive options, and high achievers feel compelled to apply for college at the most prestigious institutions. But whether it's a state school, safety school, or public school, there are other options beside an overpriced private school. It could be, but it might not be. A guidance counselor for parents. Learn that it's not just about the right college; it's about the right fit. College. Using statistics, experts, and multi-factor analysis to clarify what should and should not be a worry in college planning. Barnes helps parents identify better and often overlooked options. In this guide, she dissects the top ten parental worries about how to get into college, including college applications, college admissions, college requirements, and college acceptance. Inside find: The first comprehensive individualized career and academic planning guide available to parents and teens. Details on new innovative programs endorsed by schools, colleges, and HR departments. A bonus Academic Planning Guide.
