Architecture in the Age of Printing Mario

Carpo,2017-02-10 A history of the influence of communication technologies on Western architectural theory The discipline of architecture depends on the transmission in space and time of accumulated experiences concepts rules and models From the invention of the alphabet to the development of ASCII code for electronic communication the process of recording and transmitting this body of knowledge has reflected the dominant information technologies of each period In this book Mario Carpo discusses the communications media used by Western architects from classical antiquity to modern classicism showing how each medium related to specific forms of architectural thinking Carpo highlights the significance of the invention of movable type and mechanically reproduced images He argues that Renaissance architectural theory particularly the system of the five architectural orders was consciously developed in response to the formats and potential of the new printed media Carpo contrasts architecture in the age of printing with what preceded it Vitruvian theory and the manuscript format oral transmission in the Middle Ages and the fifteenth century transition from script to print He also suggests that the basic principles of typographic architecture thrived in the Western world as long as print remained our main information technology The shift from printed to digital representations he points out will again alter the course of architecture

Catalog of Copyright Entries Library of Congress. Copyright Office,1961 **Translating Samuel Beckett around the World** José Francisco Fernández,Pascale Sardin,2021-08-03 The global reception of Samuel Beckett raises numerous questions in which areas of the world was Beckett first translated Why were Beckett texts sometimes slow to penetrate certain cultures How were national literatures impacted by Beckett s oeuvre Translating Samuel Beckett around the World brings together leading researchers in Beckett studies to discuss these questions and explore the fate of Beckett in their own societies and national languages The current text provides ample coverage of the presence of Beckett in geographical contexts normally ignored by literary criticism and reveals unknown aspects of the 1969 Nobel Prize winner interacting with translators of his work in a number of different countries Works of the Camden Society Royal Historical Society (Great Britain),1895 Eclectic Magazine, and Monthly Edition of the Living Age John Holmes Agnew,Walter Hilliard Bidwell,1868

Dictionary of Celtic Religion and Culture Bernhard Maier,1997 This dictionary with more than 1000 articles provides a comprehensive survey of all important aspects of Celtic religion and culture covering both the prehistoric continental Celts and the later medieval culture that found written form long after the Celts had settled in the British Isles Articles in the dictionary also cover the interaction between Celtic and Roman civilisations and the seminal input of medieval Celtic legend into the Arthurian tradition The continental and insular Celtic languages both ancient and modern are described and there is a full account of the Celtic deities known to us from the inscriptions and iconography of the classical world Celtic art and agriculture the Ossian myth the Irish Renaissance and the history of Celtic studies are among other areas treated in depth

Competing Ideologies in Greek Culture, Ancient and Modern Evy Johanne Håland,2019-04-04 By using both modern and ancient sources this volume explores the relationship between official religion and popular belief in Greece as

illustrated by the relations between competing ideologies or the relationship between ideology and mentality It shows that the communicative aspect of the religious festival is central and allows the reader to get to know other sides of Greece than the picture that today dominates the news resulting from the economic crisis with which the country has struggled for several years Literature and Power Zhu Guohua,2023-11-28 With reference to the theoretical framework of Michel Foucault and Pierre Bourdieu this book offers a critical investigation into such epic issues as the end of art and the inherent laws of literature s evolution while conflating the two into one major argumentation The book proceeds from Hegel s claim of the end of art to tackle the universal yet essential problem of literature its legitimacy in a sociological sense It invests Bourdieu s sociological terms power capital habitus field and so forth into the study of literature and art while taking on other theoretical enquiries particularly the Marxist exploration into ideology as well as aspects of economics and communication studies This book will be a valuable resource for students and scholars of the sociology of literature cultural studies and those with specific interests in Chinese literature literary and art theory **The Jew and His Home** Eliyahu Kitov,2004 A new edition revised and greatly expanded of Eliyahu Kitov s acclaimed and beloved classic on Jewish family life The vital wisdom and life giving strength of traditional Jewish teaching is reflected in the wealth of topics Jewish marriage harmony in the home the meaning of modesty raising children kashrus and much more Every Jewish home and family will be strengthened and inspired by this book
