Hecht, 2020-06-30 This book opens windows onto various aspects of Jewish legal culture Rather than taking a structural approach and attempting to circumscribe and define every element of Jewish law Windows onto Jewish Legal Culture takes a dynamic and holistic approach describing diverse manifestations of Jewish legal culture and its general mind set without seeking to fit them into a single structure Jewish legal culture spans two millennia and evolved in geographic centers that were often very distant from one another both geographically and socio culturally It encompasses the Talmud and talmudic literature the law codes the rulings of rabbinical courts the responsa literature

decisions taken by communal leaders study of the law in talmudic academies the local study hall and the home But Jewish legal culture reaches well beyond legal and quasi legal institutions it addresses and is reflected in every aspect of daily life from meals and attire to interpersonal and communal relations Windows onto Jewish Legal Culture gives the reader a taste of the tremendous weight of Jewish legal culture within Jewish life Among the facets of Jewish legal culture explored are two of its most salient distinguishing features namely toleration and even encouragement of controversy and a preference for formalistic formulations These features are widely misunderstood and Jewish legal culture is often parodied as hair splitting argument for the sake of argument In explaining the epistemic imperatives that motivate Jewish legal culture however this book paints a very different picture Situational constraints and empirical considerations are shown to provide vital input into legal determinations at every level and the legal process is revealed to be attentive to context and sensitive to cultural concerns Part 2, Paperwork Problems in Elementary and Secondary Education United States.
