 horror Egyptiana and the Western which are common to carnival sites and traces their historical transition across a range of
 media to become familiar icons of popular culture Though the bricolage of narratives and imagery found in the contemporary

 ironist or aesthete He describes in detail how Hitchcock s characteristic tone is achieved through a titillating combination of
 suspense and black humor that subverts the moral framework of the romantic thriller and a meticulous approach to visual
 style that articulates the lure of human perversity even as the ideal of romance is being deliriously affirmed Discussing more
 than thirty films from the director s English and American periods Allen explores the filmmaker s adoption of the idioms of
 late romanticism his orchestration of narrative point of view and suspense and his distinctive visual strategies of aestheticism
