BETRAYAL IN THE CITY – THEMES

Revenge

After the death of Adika, his family members seek revenge against those who were responsible for his death. When he was at his son's grave, Doga tells his dead son to follow his murderers to the bitter end. He tells him to follow them up the hills and down the valleys. During adika's funeral service, Jusper becomes wild and starts to sing songs of vengeance. The authorities take him away because they thought that he had become dangerous to the peace loving people. While still at his son's grave, Doga argues with Mulili and he tells Mulili that he may die the way Adika died. Jere who was also at the grave informs Adika's parents that jusper sought the revenge of his dead brother and he had killed Chagaga in the process. Jere and Mulili tell them that after killing Chagaga, Jusper confessed it during a public rally which led to his arrest.

While they were still in Adika's grave, Jere and Mulili starts to argue because of the way Mulili had treated the old couple. Jere felt that Mulili had shown no sympathy towards the two old couple and had also abused them. Jere and Mulili's argument gets intense and Jere tries to shoot Mulili but he dives off stage. Mulili is shocked and he tells him that he shall pay for it. In the next scene, the play begins with Jere being thrown in a prison cell. This can be seen as revenge from Mulili whom he had issues with.

While he was in Regina's house, Jusper tells Regina that he will never have rest until he gets revenge for those who had killed his parents'. Regina is not happy with jusper's resolve of getting revenge. At the end of the play, jusper's wishes come true when during the rehearsal of the play in Boss's palace he shoots and kills Mulili who was responsible for the death of Doga and Nina.

In the view of many contemporary scholars, both Jesus and Judaism have been misrepresented by the church for the past two thousand years. Their main point is that Judaism was not a superficial, rigid, and outdated religion, and Jesus did not reject it. In fact, along with his disciples, he remained a Law-abiding Jew his entire life. However, as Christianity developed from a Jewish sect in the first century AD to the official religion of the Roman Empire in the fourth century, the church was transformed. Jesus was redefined, and both Jews and their religion were repudiated and marginalized. In short, both Christians and Jews were deeply affected by what many scholars now call the de-Judaization of Jesus. This book is an attempt to correct the traditional theological and scholarly misinterpretations of Jesus and Judaism that emerged over the first four centuries of the life of the church.

The Muslim Conquest of Iberia Nicola Clarke, 2012-07-26

Medieval Islamic society set great store by the transmission of history to edify, argue legal points, explain present conditions, offer political and religious legitimacy, and entertain. Modern scholars too have had much to say about the usefulness of early Islamic history writing, although this

debate has traditionally focused overwhelmingly on the central Islamic lands This book looks instead at local and regional history writing in Medieval Iberia Drawing on numerous Arabic texts historical geographical and biographical composed and transmitted in al Andalus North Africa and the Islamic east between the ninth and fourteenth centuries Nicola Clarke offers a nuanced and detailed analysis of narratives about the eighth century Muslim conquest of Iberia Comparing how individual episodes characters and themes are treated in different texts and how this treatment relates to intellectual debates literary trends and socio political conditions at the time of writing she shows how competing priorities shaped myriad variations on a single story and how the scholars and patrons of a corner of the Islamic world distant from Baghdad viewed their own history Offering a framework in which historians of Christian Iberia and of Christian Europe more generally can approach and make sense of culturally significant texts from Muslim Iberia this book will also be relevant to broader debates about the historiography of early Islam As such it will be of great interest to scholars of historiography world history and Islamic studies
